INTRODUCTION:

To Prevent Demonic Possession Within Self & Paa Munzal's Wu Nuwaupu Community:
Although we consciously operate as physical, relative to the Physical Plane, we must constantly remain ourselves that we are maimed, thus we unfortunately perceive things with very limited perception. We're battling more than physical distractions, for the physical distractions are manifestations stemming from within 180 degrees of disagreeable THOUGHTS from MENTAL Ether. Thus, the essence of the "Internal" as well as "External" struggle fought by each of us begins as MENTAL Ether without form. We decide among THOUGHTS, before we actually act out those THOUGHTS physically. Thus, we are really pure MENTAL beings in our pure essence, only using our physical bodies as a tool to channel ongoing THOUGHTS through. That's why our **Master Teacher Paa Munzal** taught us that the war in the heavens was fought on the **Mental Plane**. It was a **Mental War** fought first in Etheric form. It later became a physical war as well. This means we have to take THOUGHTS more serious than actions, knowing that all physical actions are just manifestations of one's THOUGHTS, for all things started out "Pure = 9 Ether," & gradually becoming "Less Pure = 8, 7, 6, 5, 4, 3, 2, 1 Ether" in divine accordance with the **Law of Density**. Therefore, existence is various combinations of 1 thru 9 Ether energies intertwined that we must become familiar with, thereby gaining 720 Degrees of Knowledge.

17. Futhermore, when Sama'el heard that El Eloah would place a Najuyat, meaning "successor" Kadmon, to be a successor of Atum, his physical father in the planet Earth, to rule the kingdom of Naasuwt,
18. He was afflicted with rage and envy; for he wanted to rule both Malakuwt and Naasuwt.

Open Our 3rd Eye & Heart To The Holy Tablets, Ch 7, Tablet 10, Verses 1 thru 11, pg. 731-732:

1. Lo! All of ye, Enosites project some kind of vibration to those around thee.
2. Some are a pleasure to be with.
3. They seem to have a certain energy that they share with others.
4. Then there are those who are absorbed by the negative and the depressed,
5. And they seem to actually draw energy out of people in their enviroment.
6. The reason for this my child; is because there is a power contained in thought.
7. Know ye that it is very subtle,
8. Yet, it does exist and it is extrememly ''powerful.''
9. Whether a person is aware of it or not, the Enosite is constantly transmitting and
receiving thoughts,
10. This my child, is why people have experiences of what you call ESP, (or Extra Sensory Perception) from time to time.
11. Some wish to call these experiences coincidence but they are not!

That's why **Paa Munzal** (while **Imaam Isa**) also referred to Angels by the term ''**Giants**,'' and not just in physical height, but rather in power of their mind, **MENTAL Giants**. In Etheric form, an Entity can either utilize ultragaseous matter = the etheric blue print of the physical (E1 - E99) or become totally invisible. Etheric Entities can indeed be classified as **MENTAL Giants** comparing what they can do -vs- what physical beings do. **Paa Munzal** said that some Beings have never incarnated into a physical body, thus they remain Ether. An very highly evolved Entity can also be truly a **MENTAL Giant** while in the physical form (as long as they still have a **Barathary Gland**) as in our Master Teacher. Mortal's **THOUGHTS** are Ether, processed through a brain for physical functioning, but physical beings shouldn't be deceived, their true esssence is pure **MENTAL**. The physical domain is a manifestation from **MENTAL**, manifesting in the slowest vibratory degree of creation. **Paa Munzal** released **The Mind Scroll** as another sign, that all is indeed **MENTAL**.

We always seek refuge in Paa Akhthur A'a Re by fully living Paa Taraq / The Way of Wu Nuwaupu! We read in **The Sacred Wisdom Of The Grand Heirophant Tehuti**, where our Master Teacher addresses it's ALL MENTAL or everything is a manifestation of MENTAL, that's interconnected by degrees of density through vibration & rhythm.

[Open Our 3rd Eye & Heart To The Sacred Wisdom Of The Grand Heirophant Tehuti. pg. 124, 125:](#)

The Egiptian doctrine of mentalism, while explaining the true nature of the universe upon the doctrine that all is mental, does not change the scientific conceptions of the universe, life, or evolution. In fact, science merely corroborates the Egiptian teachings. The latter merely teaches that the nature of the universe is mental, while science has taught that it is material; or of late that it is energy at the last analysis. The Egiptian teachings have no fault to find with the Egiptian's basic doctrine, which postulates the existence of an infinite and eternal enrgy, from which all things proceed. In fact, the Egiptians recognized this thousands of years ago, the highest outside statement of the workings of the natural laws that have ever veen promulgated, the line of the Egiptian teachings, always with the addition of their own doctrine that his energy is the energy of the mind of All.....

So, the student of Tehuti need not lay aside any of his cherished scientific views regarding the universe. All he is asked to do is grasp the underlying doctrine of all is mind; the universe is mental, held in the mind of all.

We witness that **Paa Munzal** gave us a diagram of the **7 Planes** interconnecting at the **4th Plane, The Mental Plane**. Add the other 2, equaling 9 Planes, & it still interconnects:

We always seek refuge in Paa Akhthur A'a Re by fully living Paa Taraq / The Way of Wu Nuwaupu! Which includes such keys as: Living AGREEABLY Of, For, & By Each Other, Psychic Self Defense Methods, Egiptian Amulets of Protection, & Reciting the Zakurane (chants), which were all given to us by way of our Beloved Master Teacher Paa Munzal to protect ourselves from Adverse Evil Forces!

Open Our 3rd Eye & Heart To pg. 44 of the Scroll: "What is Spirit and Soul?":

The **4th Plane** is where man & mind meet and they balance everthing. **Laahuwt** is referred to as the **Advanced Mental**. **Naasuwt** is referred to as the **Submerged Mental**. Which again confirms it's still all MENTAL.

Paa Munzal has ALWAYS trained us to defend our minds from Invisible & Visible Adverse Forces. The Lesser Mysteries of **Ephesians 6:12** (which is 666, because it's chapter 6, and verse 12 is also 6+6); it addresses the MENTAL war we're all fighting: "We battle not against flesh & blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places." Spiritual Wickednesses in the Highest Places are the MENTAL Disagreeable Entities, called **200 Fallen Ones** who became **Cherubim / Kaarubim / Garubaat**, as well as their Etheric & Physical Evil Helpers. We are MENTALLY attacked by such Evil Entities, however being maimed in our body we DO NOT see it happening in the Ethers. **Paa Munzal** (while **Imaam Isa**) said, "I came to transform you from a Physical, to Liquid, back to a Gas." Gas is another word synonymous with **Ether** & MENTAL. That's what **The Sons of The Green Light, AMOM, A.E.O, & The Scroll of Eyes (& the likes)** teaches us to be: MENTAL Warriors -or- Spiritual Warriors (**Mujahudaat**), thus re-gaining **360 Degrees of Spiritual Knowledge** to become 720 Beings. Our body is like a barrier or blindfold, & that's why we MUST learn how to recognize & prevent Demonic Possession stemming from the Etheric Realm. We can become Demonically Possessed mentally and/or physically, not realizing it due to our 3-Dimensional limitation(s).

To Prevent Demonic Possession Within Self & Paa Munzal's Wu Nuwaupu Community:
A - "80% Of Our Thoughts ARE NOT Ours," as taught to us by our Beloved Master Teacher Paa Munzal. The THOUGHTS going through our conscious mind everyday ARE NOT the majority of our own THOUGHTS (between the moment we awaken until the moment we go to sleep).

Open Our 3rd Eye & Heart To The Holy Tablets, Ch. 7, Tablet 26, verses 17-33, pg. 757:

17. However, the self, which is pure consciousness, that is beyond the mind.
18. Which is read from the mental, it is the witness of all that is perceived.
19. The plane of truth and about it, the plane of reality.
20. It neither acts nor reacts.
21. For all action and reaction takes place in the mind, which receives its info from the mental reservoir.
22. Appearing and arising as thought waves to the mind.

We always seek refuge in Paa Akhthur A'a Re by fully living Paa Taraq / The Way of Wu Nuwaupu! Which includes such keys as: Living AGREEABLY Of, For, & By Each Other, Psychic Self Defense Methods, Egiptian Amulets of Protection, & Reciting the Zakurane (chants), which were all given to us by way of our Beloved Master Teacher Paa Munzal to protect ourselves from Adverse Evil Forces!

23. Thought, the most powerful force in the universe, initiates all action in the brain.
24. Activity carried out on Naasuwt, the physical plane, in which ye abode is only a mirror of the inner workings of the mind.
25. That which is assumed to be reality,
26. The physical enviroment in which each person lives, is only a projection of the mind.
27. In truth, when the mental modifications are resisted
28. One is no longer affected by the coming and goings of the world.
29. And self shines forth in undisturbed purity.
30. When the thought waves are still, the perceiver rest in his or her own true nature
31. That state of pure consciousness when the mind is no longer modified by the activities of thought waves.
32. When the waves of a lake are stilled, one can see the bottom clearly.
33. Likewise, when thought waves of the mind subside, one's essential nature becomes evident.

Our daily THOUGHTS come either ourselves, from various Entities that reside within us, as well as Entities that reside outside of us. Internal & external Entities are equally hard to recognize & handle. We're not fully aware how our THOUGHTS originate, due to the fact we were maimed / lacking our **Barathary Gland**, thus we DO NOT see into other dimensions nor interdimensionally travel them at will. Thus, we fail to realize that our inspirations, desires, likes & dislikes are mostly telepathic suggestions which are sent to us from other Entities whom exist on a higher vibration. As physical beings, we identify foremost with what we see, hear, taste, smell, & feel. **However, FIRST: We should ALWAYS pinpoint whose sending us each & every single THOUGHT we have? Prior to taking any further action, ask yourself: Is this THOUGHT coming from a Disagreeable or Agreeable Being?** It's Agreeable if the THOUGHT is based on Wu Nuwaupu producing Agreeable results.

We always seek refuge in Paa Akhthur A'a Re by fully living Paa Taraq / The Way of Wu Nuwaupu! Which includes such keys as: Living AGREEABLY Of, For, & By Each Other, Psychic Self Defense Methods, Egiptian Amulets of Protection, & Reciting the Zakurane (chants), which were all given to us by way of our Beloved Master Teacher Paa Munzal to protect ourselves from Adverse Evil Forces!

The THOUGHTS are Disagreeable if it goes against the teachings of Wu Nuwaupu, thus producing Disagreeable results. **ALWAYS take one THOUGHT at a time, not one day at a time.** Our THOUGHTS can easily drift or ponder upon "irrelevant" issues of the past, present, & possible future events, which all prevent us from attaining a peace of mind. Carefully analyzing one THOUGHT at time based upon the principles of Wu Nuwaupu will keep the mind at peace, as well in the "Eternal Now" without illusions. **Paa Munzal** taught us that THOUGHT is indeed the most powerful force in the universe / multiverse. He also taught us that ALL is MENTAL, & ALL Planes of Existence are MENTAL vibrational manifestations relevant to the **Laws of Density**. That's why human beings say: "It's the THOUGHT that counts!" True indeed, even on all Planes of Existence simultaneously. **Paa Munzal** told us to learn to cherish THOUGHTS.

Open Our 3rd Eye & Heart To The Holy Tablets, Ch. 7, Tablet 10, verses 15-18, pg. 732:

15. A thought is like an object.
16. Just as an apple can be given to your friend or taken back,
17. So also it is possible to give a useful powerful thought to someone, and take it back.
18. There is a power, and energy, into which each person can tap if the Enosite only knows it is available to them.

The phonetics & concept of the word THOUGHT derives from the word "THOTH" or **Tehuti**, the Appointed Mastermind of THOUGHTS. He also taught us to practice at THINKING of places we've been, & next project our Etheric essence there, which will put us there Etherically (one of many divine lessons to master in the Power of THOUGHT). A THOUGHT is actually the very 1st action taken (NOT the physical act), as stated clearly by our Beloved Master Teacher **Paa Munzal**. Thus, always be careful what we think!

Divine Words of Right Wisdom From Paa Munzal Nazdar Amunub Reakh Ptah Djedi:

The journey is not begun with the first step, but rather with the first thought.

We always seek refuge in Paa Akhthur A'a Re by fully living Paa Taraq / The Way of Wu Nuwaupu! 90. There is said there are 5 types of THOUGHT waves, when in actuality there is 7.
91. Some of which are painful and some which are not.
92. The 7 kinds of thought waves are:
93. Right Knowledge,
94. Erroneous Overstanding
95. Verbal Delusion
96. Sleep
97. Memory
98. Correct Perception
99. Interference

Our THOUGHTS & the THOUGHTS of fellow Nuwaupians should always be the first thing we analyze & properly categorize, not being deceived by the physical appearance nor taking the effects of the Evil Spell for granted. . . **for as a man or woman THINKETH, so is he or she!** Notice how **Paa Munzal** addresses the fact that we must analyze our THOUGHTS carefully before we take action, refer to the **Urim & Thummim**:

Open Our 3rd Eye & Heart To The Urim & Thummim, pg 81.

Even more than doers, we are deciders. And once our decision is clear, the doing becomes effortless, for then, the Kosmos supports and empowers our action.

Due to the limits in such a physical body, as well as the Evil Hynoptic Spell, we DO NOT have the advantage of always recognizing the driven source behind NEGATIVE THOUGHTS. However, it's easier to recognize our NEGATIVE PHYSICAL ACTIONS. **Paa Munzal** made us aware that 80% of our physical actions are actually manifested agendas of the THOUGHTS from Negative Disembodied Entities. Yet, we THINK we are FULLY exercising our very own Free Will, but we're not.

We always seek refuge in Paa Akhthur A'a Re by fully living Paa Taraq / The Way of Wu Nuwaupu! In many scenarios, it's the Disembodied Entity's THOUGHT (not our own) that comes 1st, and we put the Disembodied Entity's THOUGHT into action 2nd.

TO REMIND OUR DIVINE 9 MINDS:

Since 80% of our THOUGHTS are not ours, the question to ask ourselves 80% of the time: Is this THOUGHT I have stemming from a Disagreeable or Agreeable Being? Paa Munzal (while Rabboni Yashu'a Bar El Haadi) addressed this aspect of reality which is either unknown or taken for granted by most mortals:

...You are an Angel, that's why they speak to you. That's what all of you are: Elohim. . .Determining which Angel is speaking to you is a discipline that's only going to come when you line yourself up with one or the other.

To Prevent Demonic Possession Within Self & Paa Munzal's Wu Nuwaupu Community:
B - Beings hover over our head for 3 seconds to 3 minutes to figure out how our brain waves work, as taught to us years ago by our Beloved Master Teacher Paa Munzal (while Imaam Isa). Refer to the Mothership class on You Tube to hear him speak of this Divine Lesson. Nuwaupians (and all others) MUST analyze that Divine Lesson carefully: If we calculate the number of seconds & minutes in a day, it helps us overstand how many different OPPORTUNITIES for Disembodied Beings to hover over our head for **3 seconds to 3 minutes** within one day alone. PLEASE, let's do that calculation, based on **3 seconds**:

We always seek refuge in Paa Akhthur A'a Re by fully living Paa Taraq / The Way of Wu Nuwaupu! Which includes such keys as: Living AGREEABLY Of, For, & By Each Other, Psychic Self Defense Methods, Egiptian Amulets of Protection, & Reciting the Zakurane (chants), which were all given to us by way of our Beloved Master Teacher Paa Munzal to protect ourselves from Adverse Evil Forces!

(According to the The Beast false perception of Earth's daily time, which eqauls 666):

60 seconds = 1 minute (3 seconds x 20 = 60 seconds, so that's 20 OPPORTUNITIES
(6+0=6) within 1 minute for disembodied entities to hover over our head to figure out how we think)

60 minutes = 1 hour (60 minutes = 1 hour. 1 minute allows 20 OPPORTUNITES.
(6+0=6) Next, multiply 1 hour or 60 minutes x 20 OPPORTUNITIES which equals = 1200 OPPORTUNITES per hour.)

24 hours = 1 day (Next, multiply 1200 OPPORTUNITIES by each hour in a
(2+4=6) day, which is 24 hours. So, multiply 1200 OPPORTUNITIES
total=666 x 24 hours = 28,800 OPPORTUNITES per day.)

(ALSO NOTICE: 28,000 is 2+8+8+0+0 = 18 and 6+6+6 = 18 / 666 again!)

Open Our 3rd Eye!

As Our Beloved Master Teacher says: Now go home, sleep on that!

The calculations above are very alarming, if you truly think about it. It's sad to say, yet ultimately it's 28,000 OPPORTUNITES every 24 hours to become Demonically influenced, then possessed, therefore distracted by Invisible Disagreeable Entities that only need 3 seconds to figure out how your thought process works. . . .this is one way of analyzing the famous statement: "The Devil is busy!" If you notice, watch how the THOUGHTS of the average person are constantly shifting from one motive to another due to vast temptations of the Hypnotic Evil Spell. That's why Paa Munzal taught us to be still or stillness & frequently meditate, therefore not to be engaged into any trick or trap within the Devil's Web: blasphemy, music, money, cars, hobbies, food, sex, dance, jewelry, drugs, clothes (Refer to pg, 442 of the Scroll entitled: 666 Leviathan, The Beast As The Anti-Christ, part 2 of 4).

We always seek refuge in Paa Akhthur A'a Re by fully living Paa Taraq / The Way of Wu Nuwaupu! Which includes such keys as: Living AGREEABLY Of, For, & By Each Other, Psychic Self Defense Methods, Egiptian Amulets of Protection, & Reciting the Zakurane (chants), which were all given to us by way of our Beloved Master Teacher Paa Munzal to protect ourselves from Adverse Evil Forces!

The Devil's Web shows how many avenues allow 28,000 OPPORTUNITES that certain Invisible Evil Entities can manipulate, who are constantly trying to Demonically Possess us every second of the day. Demons constantly try to Possess human beings, which is why people worldwide end up saying & doing the wrong things constantly. Demonic Etheric Beings become attracted to us (to cohearse & distract us) whenever our aura reflects different negative moods.

Open Our 3rd Eye & Heart To The Holy Tablets, Ch. 7, Tablet 10, verses 12-14, pg. 732:

12. Every thought has weight, shape, size, form, color, quality, and power.
13. For example, a spiritual thought has a blue color, when you combine yellow and blue
you get green, the green light.
14. While yet, a thought charged with anger and hatred bares the color red.

So, it's a MUST we take ONE THOUGHT at a time, as opposed to taking one day at a time, protecting our mind for the sake of our Soul. Most of our negative actions are 1st telepathically suggested from weak to very strong Etheric Demons. All people (regardless of race, age, & gender) are helpless when they are unaware of this particular Etheric phenomena. **It's more to it than meets the eye literally & figuratively speaking.**

This phenomena is confirmed by many people who have been documented stating: **"The Devil "made me do it!"**. . . after they killed somebody, stole something, embelzelled, raped someone, & the likes of evil read about or seen in the Daily News! Literally, one or legions of Devils did somewhat make them do it, whether they realize how the statement is true or not. Everyone, no matter who it may be, suffers for a lack of this **Right Knowledge / Right Wisdom / Right Overstanding, which leads to Sound Right Reasoning.**

For people are Tempted / Cohearsed / Persuaded / Influenced / Driven / Motivated / & Pressured by Etheric Demons in most cases, causing them to do things which are obviously detrimental or straight out evil!

We always seek refuge in Paa Akhthur A'a Re by fully living Paa Taraq / The Way of Wu Nuwaupu! Which includes such keys as: Living AGREEABLY Of, For, & By Each Other, Psychic Self Defense Methods, Egiptian Amulets of Protection, & Reciting the Zakurane (chants), which were all given to us by way of our Beloved Master Teacher Paa Munzal to protect ourselves from Adverse Evil Forces!

That's why **Paa Munzal** taught us to IMMEDIATELY REPLACE each bad THOUGHT with a good THOUGHT!!! IMMEDIATELY STOP any evil telepathic suggestion from becoming a FULL blown reality!!! **Paa Munzal** taught us to replace each bad THOUGHT also by reciting KEY chants that pushes that Demonic Entity away from you or blocks the thought!!! This is Psychic Self Defense taught to us years ago by our Master Teacher (while **Imaam Isa**) that we should NEVER EVER stop practicing, as long as we are in these physical bodies. This form of Psychic Self Defense MUST be applied CONSTANTLY inside or outside of **Paa Munzal's** Wu Nuwaupu Communtiy for the sake of any & all safety precautions to guard one's self & kind. For those with **Sound Right Reasoning** truly overstand why that Psychic Self Defense Method for physical beings has NO EXCEPTIONS.

To Prevent Demonic Possession Within Self & Paa Munzal's Wu Nuwaupu Community:
C - Avoid negative thoughts. Avoid negative people. Avoid negative places, Avoid negative things. Paa Munzal formed Communities for us to move into, so that we can completely avoid any & everything that was evil Spell-binding (thoughts, people, places, & things). He taught us to separate from sin, negativity, or disagreeableness for the sake of saving our Souls. He even taught us to COMPLETELY SEPARATE from our biological families, spouses, & children, if they DID NOT feel the need to sinerely learn & live "The Truth" as much as we did, for the sake of saving their own Souls as well. For each person is accountable for his or her own Soul in adulthood. Separating from people who love living under the Evil Spell is a must to avoid catching negativity by being around them. He taught us serving **The Most High** requires us to separate from negative relationships, negative careers, or any other negative conditions that intrudes between us & our personal relationship with **The Most High / A'lyun A'lyun El / Paa Akhthur A'a Re**. He even attributed the English letter "A" to stand for "Always be positive." Notice the 3 words go hand and hand: "Always Be Positive," as in: Always as in ALL WAYS. Be as in be, exist. Positive as in Agreeable, therefore never be negative!

We always seek refuge in Paa Akhthur A'a Re by fully living Paa Taraq / The Way of Wu Nuwaupu! Never think that because we re-gaining our status as Supreme Beings (misnomer "gods,") that we should have a god complex as our justification for doing negative things..."I'm god, so I can do what I want to do even if it's self-destructive," which is true, yet it's assanine (making an ass of nine), egotistical, thus the wrong attitude! **Paa Munzal** said those who justify their negative actions by proclaiming: "I'm god"... "Yeh, they are gods: God Damn Fools!" Foolishness or negativity is never justifiable, once you consider yourself one of **Paa Munzal's** true students seeking to overcome Disagreeable ways to ascend back to "Being."

We always seek refuge in Paa Akhthur A'a Re by fully living Paa Taraq / The Way of Wu Nuwaupu! Which includes such keys as: Living AGREEABLY Of, For, & By Each Other, Psychic Self Defense Methods, Egiptian Amulets of Protection, & Reciting the Zakurane (chants), which were all given to us by way of our Beloved Master Teacher Paa Munzal to protect ourselves from Adverse Evil Forces!

Paa Munzal Nazdar Amunub Reakh Ptah Djedi is our Beloved Master Teacher & Spiritual Guide. As a Master Teacher, he came to teach Nuwaupians how to spiritually heighten into **Sound Right Reasoning**. Within that, a main concern as our Spiritual Guide is teaching us: "How To Overcome ALL Desire & Disagreeableness," which would make us "Truly Worthy & Ready" to ascend in our very own Rapture, which is why **Paa Munzal** clearly stated: "My greatest desire is to teach you to overcome desire."

Open Our 3rd Eye & Heart To The Holy Tablets, Ch. 7, Tablet 12, verses 17-25, pg. 735:

17. The mind is always looking for an excuse to avoid discipline.
18. Ye must always listen to the inner voice of the self.
19. There is two sides to you.
20. 180 degrees agreeable and 180 degrees of disagreeable.
21. One percent is all that is needed to shift your emotion.
22. 181 to the left start the path of disagreeable action, or very agreeable.
23. You are in control.
24. Listen to the voice of agreeable things.
25. Rather than to the complaints of the disagreeable mind.

Since 1963 A.D., Paa Munzal has dedicated his life to teaching Nuwaupians what type of True Spiritual Discipline it takes to be worthy to enter into one of many **Crystal Cities (Nibiru)**. Students, who were **Ansaars**, should remember many of his Divine Words of Right Wisdom that reflected that type of True Discipline. To Remind Our Divine 9 Minds:

Divine Words of Right Wisdom From Paa Munzal Nazdar Amunub Reakh Ptah Djedi:

You're all right or you're not right at all.

&

You all must live of, for, & by each other.

&

You will never have a peace of mind until you
surrender your life totally to the will of the Most High.

We always seek refuge in Paa Akhthur A'a Re by fully living Paa Taraq / The Way of Wu Nuwaupu! Which includes such keys as: Living AGREEABLY Of, For, & By Each Other, Psychic Self Defense Methods, Egiptian Amulets of Protection, & Reciting the Zakurane (chants), which were all given to us by way of our Beloved Master Teacher Paa Munzal to protect ourselves from Adverse Evil Forces!

You must drop your net and become a fisherman of men
by moving inside of the Tabernacle of The Most High.

&

No man can serve 2 Masters, you CANNOT serve The Most High & Shaytawn.

&

When your "desire to have" overrules your "desire to do," then your will is altered.

&

You must be born again & sin no more! If you do sin after being born again, you must start doing good deeds! On the Last Day your good deeds MUST OUTWEIGH your bad deeds!

To Prevent Demonic Possession Within Self & Paa Munzal's Wu Nuwaupu Community:
D - In the past & present: Many students of Paa Munzal SLACK -or- some have even completely STOPPED applying his Divine Methods of Psychic Self Defense to repel evil of ALL kinds. Should we ever physically re-build Paa Munzal's Community to live within: We should NEVER EVER SLACK nor STOP applying his Psychic Self Defense methods. Nor should we allow Members to live inside of **Paa Munzal's** Wu Nuwaupu Community who ARE NOT dedicated to living by those Psychic Self Defense methods. We CANNOT drop our guard in Psychic Self Defense. We CANNOT drop our guard in identifying Black Devils & the fake students who like breaking rules, because it allows Black Devils & Disagreeable students to overthrow his Community from within / possibly with the aid of Adverse Forces outside!

If true students of **Paa Munzal** slack or stop in Psychic Self Defense or in identifying Black Devils & fakes, then true students develop poor judgment by becoming possessed with lazy demons who cloud our judgment. We cannot be mentally lazy, which is a custom of those programmed by the Spell.

We always seek refuge in Paa Akhthur A'a Re by fully living Paa Taraq / The Way of Wu Nuwaupu! Which includes such keys as: Living AGREEABLY Of, For, & By Each Other, Psychic Self Defense Methods, Egiptian Amulets of Protection, & Reciting the Zakurane (chants), which were all given to us by way of our Beloved Master Teacher Paa Munzal to protect ourselves from Adverse Evil Forces!

Some of **Paa Munzal's** true students may have forgotten it, for Demons can whisper all types of doubt in our heart, as taught to us by **Paa Munzal** as **Ansaars**. Many students DID NOT pay close enough attention to that Psychic Self Defense side of his teachings (going as far back as 1963 A.D.). Applying **Paa Munzal's** proper amount of Psychic Self Defense is NECESSARY to DEFEAT those Demonic Forces (Inner & Outer / Visible & Invisible). The INVISIBLE Demons which try to possess us, as well as the VISIBLE Black Devils & Aiders of The Beast are both detrimental to **Paa Munzal's** Wu Nuwaupu Community, as we see based on what lead up to **May 8**.

LET'S REMIND OUR DIVINE 9 MINDS:

Paa Munzal is under the Divine Guidance of **The Most High / Paa Akhthur A'a Re**. We CANNOT properly protect ourselves in this world, without apply **Paa Munzal's** Psychic Self Defense Methods!!! Living OUTSIDE of his Community is PARTIAL COVERAGE. Living INSIDE of **Paa Munzal's** Community offered students FULL COVERAGE in Psychic Self Defense, as long as students OBEYED all of **Paa Munzal's** COMMUNITY RULES! In the past, many of his students usually DID NOT apply ALL of his Community rules, & that's why the students were responsible for his Community falling apart. Many students who DISOBEYED Paa Munzal throughout the years were either:

1. Black Devils.
2. Not spiritually mature.
3. Leaned more to the Disagreeables side by Nature.
4. Simply DID NOT pay close enough attention, say somewhat confused.
5. We're Demonically Possessed when doing wrong, but very seldom realized it, nor applied Psychic Self defense methods in order to cease the possession.

Any student of **Paa Munzal** who ignores his Psychic Self Defense Methods are unfortunately in SPIRITUAL IGNORANCE of the need to defend one's self from Visible & Invisible Adverse Forces. This applied back in 1970 AD., as well as up until now. That's why **Paa Munzal** stated "Hold onto the rope!"

We always seek refuge in Paa Akhthur A'a Re by fully living Paa Taraq / The Way of Wu Nuwaupu! Which includes such keys as: Living AGREEABLY Of, For, & By Each Other, Psychic Self Defense Methods, Egiptian Amulets of Protection, & Reciting the Zakurane (chants), which were all given to us by way of our Beloved Master Teacher Paa Munzal to protect ourselves from Adverse Evil Forces!

That's why he updated the Arabic pronunciation of the **99 Attributes of Allah** to Nuwaupic (ie: Al Rahmaanu to El Rahmun back to Atum Re), as well those chants themselves. He also introduced many other prayers, supplications, affirmations, chants, amulets, & spiritual practices, which were ALL necessary components to Psychic Self Defense manifesting in various ways. If one is spiritually immature for whatever the reason, they DO NOT see that **Paa Munzal (since Imaam Isa)** had it all layed out perfectly for us, a road map of perfection. All we needed to do (as his students) was make the right turns on his map, instead of U-turns or shortcuts. He ALWAYS gave us a Community based on well-rounded Discipline, & he gave us our **U.N.N.M Constitution** to solidify our own resources to be fully independent based on Wu Nuwaupu.

However, presently we're living in the Dunya / World & FULLY relying on The Beast for our survival. Thus, we're vulnerable / opened up to all kinds of Visible & Invisible Adverse Forces. We can easily become demonically possessed, since we MUST rely on The Beast for food, shelter, transportation, communication, & other hypocritical services that we utilize from The Beast. That's why **Paa Munzal** SPIRITUALLY DESIGNED an Enclosed Garden called the **Ansaaruallah Community, The Holy Tabernacle Ministries, & Kodesh / Tama Re** (476 Acres), so that we could "Come out of her & be not partakers of her sins!" Again, that's why **Paa Munzal** introduced our **U.N.N.M Constitution**, so that we could totally separate from The Beast, but we did not support him enough in doing so. As long as we continue to rely on The Beast, then we will can become Demonically Possessed more frequently, yet totally unaware of it in most cases. Yet, it is inevitable, unless we finally follow **Paa Munzal's** example by re-building his Community to live within based on Paa Taraq. Not building such a Community as he did for us, results in our lives getting hectic & very nerve racking, because we have to apply ALL Psychic Self Defense Methods inside his Community to be fully effective. The Lesser Mysteries teach us that we CANNOT be lukewarm. Paa Munzal even told us take that which is evil and turn it good until we get to a condition where we have total control based on 9 Ether. **Paa Munzal** can't make us apply his divine teachings, whether he is physically beside us or not, it's up to us. Simply, it's our fault if we FAIL to OBEY **Paa Munzal's** Strict Codes of Discipline while INSIDE of his Enclosed Garden / Community, (as **Paa Munzal** had built for us **Ansaars** up to **Tamareans**).

We always seek refuge in Paa Akhthur A'a Re by fully living Paa Taraq / The Way of Wu Nuwaupu! Which includes such keys as: Living AGREEABLY Of, For, & By Each Other, Psychic Self Defense Methods, Egiptian Amulets of Protection, & Reciting the Zakurane (chants), which were all given to us by way of our Beloved Master Teacher Paa Munzal to protect ourselves from Adverse Evil Forces!

Proof of this challenge is seen in the **Actual Facts & Paa Taraq Scrolls**, as well as throughout many Scrolls of our Master Teacher. We can see it & achieve it, if we just keep open our 3rd Eye & Hearts to Divine Love!

By failing to constantly utilize his "Psychic Self Defense Methods" from within his **"720 Degrees of Knowledge"** made us susceptible to Adverse Forces on ALL levels. His Enclosed Garden or past Communities re-vitalized, purified, & protected our Soul by combating ALL Adverse Forces (be they Inner or Outer / Visible or Invisible). He has ALWAYS should us **"The Way"** or **"Paa Taraq,"** which was relative to that degree he taught us at that time.

Presently, we still fail to fully recognize & utilize ALL of those Sacred or Spiritual portions in the Science of Wu Nuwaupu. We may be increasing in Outformation, yet we're still behind in True Discipline. **Paa Munzal** had spoke of **Ansaars** who retained a **"Higher Level of Spiritual Awareness & True Discipline"** from that Degree, which now serves as **'Tools or Jewels'** to help them overcome life's obstacles / waves of distress. He mentioned that new students who DID NOT have the experience of living INSIDE of his past Community DID NOT learn how to use that extra-keen perception & Spiritual Methods to overcome life's obstacles, caused by Adverse Forces. Since the early 90's, **Nazdar Atum Re** spoke of selecting a special group of teachers who would be a **"Council of 24 Elders"** to help pass on that Sacred aspect of the teachings, & explain links between the past Degrees of Right Knowledge.

KEY NOTE: **Physically living inside of his past Community structures was a MUST to overstand & experience all of the Sacred benefits.** Then you have the people that he pointed to in the **"Asaru Procession,"** which he said those were individuals that the **Elders/Paa Nazdaru** wanted to talk to about making the journey home through the stars. I happened to be one of the many people he pointed to during the **Asaru Procession**. We have to re-establish his Spiritual Discipline & integrity, that we once had in the days of living inside his Community (of, for, & by each other). **Let's Re-build his Community In Paa Munzal's Image & After His Likeness** (based entirely upon Wu Nuwaupu), which is why Paa Munzal had to release his Strict Codes of Discipline as Paa Taraq, as well as **The Scroll of Eyes (The Actual Facts)**.

We always seek refuge in Paa Akhthur A'a Re by fully living Paa Taraq / The Way of Wu Nuwaupu! Which includes such keys as: Living AGREEABLY Of, For, & By Each Other, Psychic Self Defense Methods, Egiptian Amulets of Protection, & Reciting the Zakurane (chants), which were all given to us by way of our Beloved Master Teacher Paa Munzal to protect ourselves from Adverse Evil Forces!

We could have succesfully raised the 144,000 long ago, had those students back then cooperated by not being disagreeable, while others were Black Devils. Yet, since 1970 AD., students who payed close attention to Paa Munzal's KEYS to raise our Chakras, can see he has ALWAYS given us "Psychic Self Defense Methods" to spiritually & physically protect ourselves, which didn't dissolve just evolved!!

Open Our 3rd Eye & Heart To The Holy Tablets, Ch. 7, Tablet 11, Verses 1-8, pg. 773:

1. Lo! My children, by now you have received knowledge about the mind,

3. This journey which you are about to began, is teaching you about the mind itself,

Open Our 3rd Eye & Heart To The Actual Fact - Feeding The Forces, verses 120 - 127:

120. Reaching down form - ethers sub - abodes and climate change caused by emotion change or fear which in turn is a mood change that opens a way for lower etheric beings to ascend into ghost, spirit, specter then into ghoul, monster and become the living dead and feed many on the adrenalin in the blood.

122. And they work by your fears, fright, terror, dread, alarm, a very unpleasant E-Motion caused by coming evil or danger.
123. They feed off of these emotional energies of your stress, and grief.
124. And disembodied etheric gas ghost travel where they are welcomed.

125. The gates of each abode must be opened to them and this is done as a higher existing being thinks, feels, desires, wishes, longs for, asks for, requests, and wants; and desirous, desirable, desirability is all hopes, that is expectation of something desired, optimistic and optimism is belief, which is belie first part of believe.

Divine Words of Right Wisdom From Paa Munzal Nazdar Amunub Reakh Ptah Djedi:

"My greatest desire is to teach you to overcome desire"

When we desire, we are often channelling disembodied entities who use us to feel alive again. Which is why it's so valuable that we prevent Demonic Etheric Beings from possessing us at ALL times, as taught us by Paa Nazdar Amunub Reakh Ptah Djedi.

To Prevent Demonic Possession Within Self & Paa Munzal's Wu Nuwaupu Community:
E - Nazdur Atum RE teaches us that it's very hard to achieve a state of pure THOUGHT in a world dominated by Evil Beings (both Visible & Invisible). We, Nuwaupians, are not the only ones struggling to think clearly day to day. Everyone is a target in receiving evil THOUGHTS from Demons who are either Invisible spirits or Visible people. We also have to resist the physical distractions inspired by the minds of wicked spirits, which are manifested by the hands of wicked people. Add together the influences from both:

- (a) The Evil Invisible Entities
- + (b) The Evil Physical Visible Distractions
- = (c) Why most people ARE NOT in their right mind for the vast majority of their life, headed towards re-incarnation.

We always seek refuge in Paa Akhthur A'a Re by fully living Paa Taraq / The Way of Wu Nuwaupu! Which includes such keys as: Living AGREEABLY Of, For, & By Each Other, Psychic Self Defense Methods, Egiptian Amulets of Protection, & Reciting the Zakurane (chants), which were all given to us by way of our Beloved Master Teacher Paa Munzal to protect ourselves from Adverse Evil Forces!

Which is exactly why in 1970 AD: Nazdar Atum Re (as Imaam Isa) SPIRITUALLY DESIGNED the Ansaaruallah Community, in order to help Nuwaupians achieve that state of pure THOUGHTS (ascending to the 9 Plane) due to obeying the Laws & Commandments of The Most High / A'lyun A'lyun El / ANU / Paa Akhthur A'a Re, thus resisting evil from Invisible Entities & Visible Distractions.

There are many negative circumstances to counteract using Psychic Self Defense, as taught to us by Paa Munzal (taught as far back as Imaam Isa). He taught us how to master our thoughts or emotions, by recognizing when we were being telepathically influenced by Disagreeable Beings from the Etheric Realm.

To Prevent Demonic Possession Within Self & Paa Munzal's Wu Nuwaupu Community: Let's analyze various negative THOUGHTS that are telepathic influences from Invisible Adverse Entities, which become OPPORTUNITIES for those Entities to Demonically Possesses us, if we dwell on the THOUGHT and/or put the THOUGHTS into action:

1. Let's reflect Paa Munzal !!! DO NOT FEED INTO NEGATIVE VISIBLE OR INVISIBLE FORCES & BECOME DEMONICALLY POSSESSED by WORRYING ABOUT VAIN / CARNAL / WORLDLY SITUATIONS due to the endless attempts within the Evil Hypnotic Spell to enguff us, trying to prevent us from focusing ALL OR OF OUR ATTENTION on Wu Nuwaupu. Causing one to worry comes from all angles of the Evil Spell, by way of mind control tactics surrounding Persons, Places, & Things. If a situation DOES NOT surround Wu Nuwaupu (where our true nourishment comes from), then that negative Person, Place, or Thing is a distraction, causing regression or a standstill in our commitments to Wu Nuwaupu . The Devil has many plans, yet Wu Nuwaupu is the original plan, thus the best of plans for us.

We always seek refuge in Paa Akhthur A'a Re by fully living Paa Taraq / The Way of Wu Nuwaupu! Which includes such keys as: Living AGREEABLY Of, For, & By Each Other, Psychic Self Defense Methods, Egiptian Amulets of Protection, & Reciting the Zakurane (chants), which were all given to us by way of our Beloved Master Teacher Paa Munzal to protect ourselves from Adverse Evil Forces!

2. Let's reflect **Paa Munzal ! ! !** DO NOT FEED INTO NEGATIVE VISIBLE OR INVISIBLE FORCES & BECOME DEMONICALLY POSSESSED by OVER EATING -or- SENSELESS DRINKING when we ARE NOT truly hungry nor thirsty, yet we decide to consume food anyway. Which is GLUTTONY! As a result, we become sluggish, experience indigestion, nurture certain bad bacteria leading to disease, & our judgement (reasoning capabilities) becomes clouded or distorted. There's a divine time to eat & not to eat, based on the human anatomy being aligned with Nature.

3. Let's reflect **Paa Munzal ! ! !** DO NOT FEED INTO NEGATIVE VISIBLE OR INVISIBLE FORCES & BECOME DEMONICALLY POSSESSED by seeking FOOLISH SEXUAL PLEASURE, just because we get HORNY -or- SEXUALLY ENTICED, ensnared by the Leviathan Sex Force. As **Paa Munzal** told us that **Horny** is another word for the **Devil's Horns**, a trait of the **Evil Reptilian** & those that follow him. Nuwaupians should plan to procreate based upon Wu Nuwaupu (not due to horny sensations). We refrain or restrain from poor sexual practices in order to give birth to babies who are Supreme Beings, instead of making lust babies out of pure lust.

4. Let's reflect **Paa Munzal ! ! !** DO NOT FEED INTO NEGATIVE VISIBLE OR INVISIBLE FORCES & BECOME DEMONICALLY POSSESSED by getting JEALOUS - &- ENVIOUS of someone. Such EMOTIONS display one whose thoughts are reflecting the LOWEST CHAKRA, being tossed around by the illusions of this CARNAL WORLD, as well as fallen victim to such attributes which reflect EGOTISM. That's why **Paa Munzal** said, "My greatest desire is to teach you to overcome desire." & "Right Knowledge is what you need."

We always seek refuge in Paa Akhthur A'a Re by fully living Paa Taraq / The Way of Wu Nuwaupu! Which includes such keys as: Living AGREEABLY Of, For, & By Each Other, Psychic Self Defense Methods, Egiptian Amulets of Protection, & Reciting the Zakurane (chants), which were all given to us by way of our Beloved Master Teacher Paa Munzal to protect ourselves from Adverse Evil Forces!

Never desire to have anyone nor anything that someone else has, for carnal belongings are temporary illusions & possessions. For we cannot permanently hold onto any physical person, place, nor thing. We MUST acknowledge the fact that change is forever constant, & the Etheric Realm vibrates above the physical. Therefore, there are countless consequences worth avoiding caused by jealousy & envy of others in this temporary lowly realm.

5. Let's reflect **Paa Munzal ! ! !** DO NOT FEED INTO NEGATIVE VISIBLE OR INVISIBLE FORCES & BECOME DEMONICALLY POSSESSED by WASTING ENERGY & PRECIOUS TIME on obtaining WRONG KNOWLEDGE -or- MATERIALISTIC POSSESSIONS. One can be easily caught up, mentally and/or physically mezmerized, by the Hypnotic Spell of Leviathan. One must re-direct their ENERGY & PRECIOUS TIME towards obtaining MENTAL & SPIRITUAL FULFILLMENT based strictly upon Wu Nuwaupu, leaving all carnal nuances behind! ! ! People intellectually masterbate on rhetoric and/or magnetize to every vain object imaginable under the Evil Spell, yet these are mental & physical illusions. We cannot afford to make more errors living on borrowed time, for: **The hour glass is almost empty.**

6. Let's reflect **Paa Munzal ! ! !** DO NOT FEED INTO NEGATIVE VISIBLE OR INVISIBLE FORCES & BECOME DEMONICALLY POSSESSED by getting IMPATIENT, which causes us to overlook very important details. Thus, we make errors which we would not have made had we paid attention carefully. The only opportunity guaranteed to result from impatience is the opportunity to fix the problem sooner or later. **Paa Munzal** taught us to chant the attribute "El Sabur Yaa Al'yun," in order to help develop our patience. Just as raising babies from the womb teaches one patience, or becoming a great teacher of students. **Paa Munzal's** shedded many Divine Words of Right Wisdom concerning patience upon us, which are very simple: "The reward for patience is patience," -&- "Patience is all you need."

We always seek refuge in Paa Akhthur A'a Re by fully living Paa Taraq / The Way of Wu Nuwaupu! Which includes such keys as: Living AGREEABLY Of, For, & By Each Other, Psychic Self Defense Methods, Egiptian Amulets of Protection, & Reciting the Zakurane (chants), which were all given to us by way of our Beloved Master Teacher Paa Munzal to protect ourselves from Adverse Evil Forces!

Keep being impatient if you like fixing the same problem a 2nd, 3rd, 4th, or 5th time, which can be a much bigger problem if that which needs fixing takes a lifetime, thus re-incarnation again & again, a living hell literally. **Paa Munzal** states: "Just because a thing is done a second time doesn't mean it's done right." People loosely repeat "Patience is a virtue," for patience does not skip any stage in development. Patience can determine a matter of life or death in the end: You can rush & overstress yourself to death -or- apply wisdom & patience therefore live longer. Long term goals seem long due to patience, which minimizes mistakes. Good things will come to those who apply wisdom while they wait patiently!

7. Let's reflect **Paa Munzal** !!! DO NOT FEED INTO NEGATIVE VISIBLE OR INVISIBLE FORCES & BECOME DEMONICALLY POSSESSED by getting **FRUSTRATED** -or- **ANGRY** uncontrollably. **Nazdar Atum Re** taught us that a Master may seem to be upset on the outside, however on the inside that Master is still at peace. He also taught us that anger is a result of our desires not being fulfilled. Anger can result from NOT viewing situations based on Right Knowledge, but rather viewing situations based on the emotional games played by Haylal. The Evil Spell is satanically designed to appear to grant success, but it guarantees failure sooner or later. Therefore, we CANNOT view anything from the CLOSED 3rd Eye of The Beast! DO NOT get frustrated, nor angry, if you DO NOT get the results as you expect, because this world is physically dominated by the deceptive powers of The Beast, via Tricknology. KEY NOTE: **Paa Munzal's** Divine Words of Right Wisdom states: "A true one of El Yahuwa is without honor in this world." **Paa Munzal** also taught us: "It's no such thing as a missed opportunity, thus recognize that most opportunities are not for us (Refer to the **Urim & Thummim** Scroll)." Notice that most opportunities are really illusions to keep us under the Hypnotic Spell / blindly wandering aimlessly, failing to use Right Knowledge as our guide. Take responsibility as students of **Paa Munzal**, not subjected to the whelms of others. As students of **Paa Munzal**, we bring bad fate upon ourselves by taking his Strict Codes of Discipline for granted. Let's re-affirm our loyalty to **Paa Munzal**, by sincerely perfecting our being & start living of, for, & by each other inside his Community (under 1 roof as before).

We always seek refuge in Paa Akhthur A'a Re by fully living Paa Taraq / The Way of Wu Nuwaupu! Which includes such keys as: Living AGREEABLY Of, For, & By Each Other, Psychic Self Defense Methods, Egiptian Amulets of Protection, & Reciting the Zakurane (chants), which were all given to us by way of our Beloved Master Teacher Paa Munzal to protect ourselves from Adverse Evil Forces!

Our intentions are counted foremost, not strictly our actions, because things DO NOT always go 100% as planned (for we cannot control the actions of others, only our own). Besides the odds we face with the Evil Spell. Therefore, avoid getting frustrated or angry, rather strive to always remain content. Especially if we know that we applied Wu Nuwaupu to a situation, although the results DO NOT turn out agreeable as planned. Still remain at peace.

8. Let's reflect **Paa Munzal** ! ! ! DO NOT FEED INTO NEGATIVE VISIBLE OR INVISIBLE FORCES & BECOME DEMONICALLY POSSESSED by getting SAD -or- DEPRESSED. Sadness & depression can result from one's desires not being fulfilled. Sadness & depression can also result from failing to overstand why unfavorable events happen. Sad & depressing thoughts can be overcome by accepting Right Knowledge, Right Wisdom, Right Overstanding, which leads to Sound Right Reasoning.

Open Our 3^d Eye & Heart To The Holy Tablets, Ch. 7, Tablet 10, verses 1-7, pg. 731-732:

1. Lo! All of ye, Enosites projects some kind of vibration to those around thee.
2. Some are a pleasure to be with.
3. They seem to have certain energy they share with others.
4. Then there are those who are absorbed, by the negative and the depressed,
5. And they seem to actually draw people out of people in their enviroment.
6. The reason for this my child "Is because there's a power contained in thought."
7. Know ye it is very subtil.
8. Yet, it does exist and is extremely powerful.

There is a solution for any problem found within Wu Nuwaupu. It's just a matter of us recognizing it, followed by applying it. The lack of Sound Right Reasoning causes our countenance to drop into sadness or depression, thus we become vulnerable to evil suggestions, such as in the Biblical scenario of Cain -vs- Abel of the Lesser Mysteries. Never be sad nor depressed, for all things go through "The Cycle of Birth, Growth, Decay, Death, & Re-birth," as **Paa Munzal** explained in **The Urim & Thummim** Scroll.

We always seek refuge in Paa Akhthur A'a Re by fully living Paa Taraq / The Way of Wu Nuwaupu! Which includes such keys as: Living AGREEABLY Of, For, & By Each Other, Psychic Self Defense Methods, Egiptian Amulets of Protection, & Reciting the Zakurane (chants), which were all given to us by way of our Beloved Master Teacher Paa Munzal to protect ourselves from Adverse Evil Forces!

He explained everything is constantly vibrating, nothing stays the same, for only change is constant. OVERSTANDING: Positive & negative circumstances MUST co-exist for they are degrees of the same source, therefore we accept them both as one in existence. Completely serving **The Most High / Paa Akhthur A'a Re** by losing ALL lowly desires based on Sound Right Reasoning / Wu Nuwaupu is the only way to overcome being sad or depressed. Here's Right Wisdom: Sadness is due to ignorance of the Laws of Existence, in accordance with the will of **The Most High / Paa Akhthur A'a Re**, for his order of Divine Love surrounds everything we experience in existence, as taught to us by **Paa Munzal**:

Divine Words Of Right Wisdom From Paa Munzal Nazdar Amunub Reakh Ptah Djedi:

To ask who is Yahuwa Eloah is a sin; to ask where is Yahuwa Eloah is a greater sin;
but to seek Yahuwa Eloah is Right Knowledge.

&

As I have found Yahuwa Eloah, I am now one with my heart's desire; an Eloheem.

9. Let's reflect **Paa Munzal** ! ! ! DO NOT FEED INTO NEGATIVE VISIBLE OR INVISIBLE FORCES & BECOME DEMONICALLY POSSESSED by falling into **BOREDOM FOLLOWED BY MALEVOLENT ACTIONS**, for an idle mind births the Devil's workshop. BOREDOM is really "bore doom," which means "digging destruction," when followed by malevolent behavior. However, boredom is a misnomer if it can be an opportunity used to meditate & reflect upon Wu Nuwaupu. When we think we have nothing to do, we're very mistaken. For it's always something to do, whether it's: Mediate, Pray, Chant, Study, Clean up, or Propagate. Even use that time we refer to as boredom to simply relax, which is also essential to spiritual growth. Using the feeling of boredom to justify malevolent ambitions is a choice enguuffed in ignorance. Feeling a need to find instant gratification from the Evil Hypnotic Spell, stems from a lack of Sound Right Reasoning about our true purpose in life. Thus, causing our mind & body to travel down the path of self-destruction, ignoring the Divine Principles taught throughout Wu Nuwaupu. Never allow yourself to become Demonically Possessed in the state of boredom.

We always seek refuge in Paa Akhthur A'a Re by fully living Paa Taraq / The Way of Wu Nuwaupu! Which includes such keys as: Living AGREEABLY Of, For, & By Each Other, Psychic Self Defense Methods, Egiptian Amulets of Protection, & Reciting the Zakurane (chants), which were all given to us by way of our Beloved Master Teacher Paa Munzal to protect ourselves from Adverse Evil Forces!

10. Let's reflect **Paa Munzal ! ! !** DO NOT FEED INTO NEGATIVE VISIBLE OR INVISIBLE FORCES & BECOME DEMONICALLY POSSESSED by **FEELING LONELY**. The All Affirmation states I am never alone. Anyone or any living thing that has intelligence -or- any sense of awareness is indeed never alone. The false perception of loneliness normally leads to seeking carnal pleasures treacherously designed by the Evil One & his fallen host. Chanting key chants that reflect upon **The Most High / Paa Akhthur A'a Re** is the best practice to use whenever you FEEL ALONE. Also, overstand that our Guardians / Paa Nazdaru are always watching everything you think, say, & do, thus you are truly NEVER EVER alone. Just remember your past & you will discover you have never been alone. For persons, places, & things have always affected your life. **Paa Munzal** also taught us that being alone associates with a state of peace, an absence of chaos or confusion! DO NOT reject the feeling of loneliness due to a state of peace. Voluntary restriction of the physical senses causes a peaceful loneliness, detaching you from the raging carnal world. A state of peace is contentment. Being uncontent with loneliness is due to a lack of spiritual fulfillment...please overstand it's a major difference.

11. Let's reflect **Paa Munzal ! ! !** DO NOT FEED INTO NEGATIVE VISIBLE OR INVISIBLE FORCES & BECOME DEMONICALLY POSSESSED by **DRIVING SENSELESSLY** vehicles on worldly / vain pursuits. Thus, one is actually going nowhere, whether fast or slow. Speed Demons will possess people, causing people to drive wrecklessly, in road rage, doing dare devil stunts, & racing. Just as well, one can drive cautiously somewhere just to partake in some malevolent act. Whether driven by Speed Demons or not, it's senseless if the final destination is Spell Binding. Time spent driving on non-Wu Nuwaupu adventures is another illusion posed by the Hypnotic Evil Spell. Only be driven towards perfecting our whole being, & we DO NOT need an external vehicle to reach that point. Our Master Teacher asked us: **Why do they make the speedometer go so fast?** Haylal wants you to speed to kill yourself & someone else if possible!

12. Let's reflect **Paa Munzal ! ! !** DO NOT FEED INTO NEGATIVE VISIBLE OR INVISIBLE FORCES & BECOME DEMONICALLY POSSESSED by allowing yourself to become physically SICK -or- ILL, thus mentally weakened. **Paa Munzal** taught us that our Etheric Cord becomes "somewhat" severed (detached) when we become ill. An "illness" is really an "ill naas," which means a "sick forgetful mortal." When we become sick or ill, it's due to either one or more reasons: bad diet, stress, slacking in prayer / meditation / chanting, or overindulging in some carnal pleasure. Ultimately, NOT applying Sound Right Reasoning. Sickness can easily lead to death. Nuwaupians should be very health conscious. Thus, we should not get sick as much as the average person (if Nuwaupians apply Sound Right Reasoning). Nuwaupians should know how to eat ALKALINE food & how to take ALKALINE herbs to assist in properly maintaining physical health. As Nuwaupians, old age or perhaps a hereditary disorder are the only unavoidable circumstances that could result in an expected sickness. Our lack of well-rounded health practices can cause us slight problems or even death, whether young or old. We have to be ever mindful of the vast amount of deadly devices made by the Luciferians which cause us to fall into sickness.

13. Let's reflect **Paa Munzal ! ! !** DO NOT FEED INTO NEGATIVE VISIBLE OR INVISIBLE FORCES & BECOME DEMONICALLY POSSESSED by DRINKING ALCOHOLIC BEVERAGES or SPIRITS. There are a vast number of alcohol Demons who walk-in or slide into people while drinking & when drunk. That's why they call alcohol Spirits, because alcoholics become possessed with legions of Demonic Spirits. People are found drinking "beer" at a "bar," both "beer" & "bar" mean "son." Turning the spirit drinker into a "Son of who?" In this case, drinking "beer" makes one become a "Son of Sama'el," which means "to poison those of El," by using the deadly effects of alcoholic beverages. A "bar" & "beer" are blasphemous word made to mock Tammuz (Haru) who is a Son of the Most High God or "Yashu'a Bar A'lyun A'lyun El." Ether is another name for alcohol, because again Etheric Demons possess you while drinking & when drunk.

14. Let's reflect **Paa Munzal ! ! !** DO NOT FEED INTO NEGATIVE VISIBLE OR INVISIBLE FORCES & BECOME DEMONICALLY POSSESSED by **STEREOTYPING**, being judgmental nonfactually (PREJUDICE), or by being RACIST. **Paa Munzal** said "There are only 2 races of people: Agreeable & Disagreeable." He also said "No one wins the race in racism." He also said his greatest hinderance has been the Black Devil. Let's always keep in mind that most people behave based on the way the Evil Spell has programmed them to behave. Also, they always have a choice to accept or reject Right Knowledge, when presented to them. How we respond to the Evil Spell determines most outcomes. It's inaccurate to make accusations about someone or anything without using elements of Sound Right Reasoning as our means to draw a conclusion. **Paa Munzal** said "Jumping to conclusions is the worse exercise." As taught under the Lesser Mysteries: Judge not that ye be judged, & should you judge, be sure your judgement is indeed just. The Aramic word for "just" or "justice" is "Zodok." Therefore, the divine teachings of **Malachi Zodok (The Ruler of Justice)** is our means in determining answers to ANY & ALL questions: Who? What? When? Where? How? Why?, The Intent? & The Nature Of?

15. Let's reflect **Paa Munzal ! ! !** DO NOT FEED INTO NEGATIVE VISIBLE OR INVISIBLE FORCES & BECOME DEMONICALLY POSSESSED by **LISTENING TO NEGATIVE MUSIC**, be it negative Rap, negative R&B, negative Rock, negative Blues, Jazz, Country, etc. Have you ever wondered why our feelings can suddenly match the mood of a song that you're listening? That occurs due to the effects of vibrations interwoven with the human body. Thus, we become Spiritually Uplifted or either Demonically Possessed by Entities, depending upon the quality of vibrations within the music. Negative Music is a catalyst to attracting a vast number of Demonic Entities that thrive off of chaos. Negative music is made with negative pitches, modernized synthetic instruments, negative lyrics, which are all Demonic Sorcery.

We always seek refuge in Paa Akhthur A'a Re by fully living Paa Taraq / The Way of Wu Nuwaupu! Which includes such keys as: Living AGREEABLY Of, For, & By Each Other, Psychic Self Defense Methods, Egiptian Amulets of Protection, & Reciting the Zakurane (chants), which were all given to us by way of our Beloved Master Teacher Paa Munzal to protect ourselves from Adverse Evil Forces!

All negative music is inspired by Demonic Entities, as well as it conjures up more Demonic Entities anytime that a negative song is listened to. **Paa Munzal** taught us all of this, concerning how everything is certained around octaves. The negative music videos also conjure up Demons on top of that, encoded with subliminal satanic symbols & vices. **Paa Munzal** said, "You can tell a lot about a person by the type of music they listen to." Within **Paa Munzal's** Wu Nuwaupu Community we only listen to songs such as: Thought Nubian, Relaxing with the Etherians, Positive Reggae, a specific type of "Spiritual Uplifting" song, as well as old music that's healthy. As much as possible, we should have the 'Aum chant playing on a surround sound speaker system throughout the Wu Nuwaupu Community, just as we could hear it regularly on Tama Re. We shouldn't listen to negative music for brief nor constant entertainment. We DO NOT install load stereo systems in our vehicles, nor bring radio / c.d. players into Wu Nuwaupu for musical entertainment, only to listen to spiritual songs that will strengthen our Soul.

Open Our 3rd Eye & Heart To The Holy Tablets, Ch. 7, Tablet 35, verses 60, pg.774:

60. In fact, listening to music of when you were a child,
61. And you remember your mom or dad,
62. Your grandma or grandad singing,
63. Or listening to the oldies of their time
64. The sound waves will re-activate dead brain cells.
65. One of the keys to re-juvenation,
66. Or the fountain of youth.
67. Get those old records out,
68. Put them on,
69. Tape, play them,
70. And reflect on when you were a child, full of health.
71. It will give you new found feelings of youth.
72. It will actually make you younger in heart, body.
73. And mind.
74. And the total opposite for those elders who listen to this new music,
75. It will remind you of your age, and your speed, your death.

Divine Words Of Right Wisdom From Paa Nazdar Amun Nub Reakh Ptah Djedi:

You can tell a lot about a person by what type of music they listen to.

16. Let's reflect **Paa Munzal** !!! DO NOT FEED INTO NEGATIVE VISIBLE OR INVISIBLE FORCES & BECOME DEMONICALLY POSSESSED by READING IRRELEVANT BOOKS -or- LEARNING WORLDLY PHILOSOPHIES that are not based on Right Knowledge / Wu Nuwaupu. Our minds become infested & infected with misinformation, as well as the Negative Spirit Forces that coincide with the degree of misinformation. Therefore, we become clones of the misinformation obtained from those irrelevant sources.

Open Our 3rd Eye & Heart To The Holy Tablets, Ch. 7, Tablet 36, verses 28-34, pg.775:

28. One should even consider curtailing the reading of some newspapers,
29. For their intent,
30. As well as effect;
31. Is to tantalize the mind with waves of unrest,
32. And sensationalism.
33. All these distractios draw the mind outward;
34. Rather than focus it inward.

Divine Words Of Right Wisdom From Paa Munzal Nazdar Amunub Reakh Ptah Djedi:

Don't think all words between two covers are wisdom, many fools write books for profits.

This puts us in the mindset of the Beast, thus living in his image, his lifestyle. **Paa Munzal** (while **Imaam Isa**) also referred to it as "The Jones / Keeping up with the Jones." Mortals are walking zombies hypnotized by the Evil Spell in all aspects of ordinary life. Mortals are programmed to be Educated fool by way of the Devil's Schools (School derived from sheol = the lowest hell), which falls under Philosophy & Psychology (both tricks within the 5 "P's"). Right Knowledge is the way to complete freedom from under any form of Luciferian mind control

We always seek refuge in Paa Akhthur A'a Re by fully living Paa Taraq / The Way of Wu Nuwaupu! 17. Let's reflect **Paa Munzal ! ! !** DO NOT FEED INTO NEGATIVE VISIBLE OR INVISIBLE FORCES & BECOME DEMONICALLY POSSESSED by doing **DIRTY DANCES** -or- **SLAM / BREAK DANCING**. Knowing that dirty dancing may lead to sexual contact for all the wrong reasons, as well as slam / break dancing leads to broken bones or even death. People who do such dances are like crash test dummies. **"They look like monkeys on a string,"** as described by **Paa Munzal**, controlled by their Puppet Master / Haylal (The Evil One). People are dancing to Satanic tunes, displaying jerking movements as a result of Demonic Possession (like unto receiving an Unholy Ghost in a Paulite Church).

18. Let's reflect **Paa Munzal ! ! !** DO NOT FEED INTO NEGATIVE VISIBLE OR INVISIBLE FORCES & BECOME DEMONICALLY POSSESSED by **PRAYING TO SPOOK GODS**. When a 9 Ether wooly-hair descendant prays to a European Jesus, or Arab Allah, or Chinese Buddah, or to any God that looks like someone other than self & kind, then that wooly-haired being actually summoned Disembodied Entities associated with that false doctrine & false God (that can't save nor guide you)! The illusion that a God is saving them is usually just a pay check away or government assistance, whom they thank God for as if it came from on high. We cannot be tricked to call upon such false Gods, nor the Disembodied Entities associated with them who didn't save themselves, none the less can help save us. People who died believing in a Pale Arab Allah, Caucasian Jesus, Chinese Buddah, realized what they thought was the truth, it was really a lie, -or- either create a mental hell for themselves based upon that illusionary belief system.

19. Let's reflect **Paa Munzal ! ! !** DO NOT FEED INTO NEGATIVE VISIBLE OR INVISIBLE FORCES & BECOME DEMONICALLY POSSESSED by **WATCHING T.V.** for idle pleasures. **Paa Munzal** taught us that **"television"** is really **"tell lies visually."**

We always seek refuge in Paa Akhthur A'a Re by fully living Paa Taraq / The Way of Wu Nuwaupu! Which includes such keys as: Living AGREEABLY Of, For, & By Each Other, Psychic Self Defense Methods, Egiptian Amulets of Protection, & Reciting the Zakurane (chants), which were all given to us by way of our Beloved Master Teacher Paa Munzal to protect ourselves from Adverse Evil Forces!

So, turn off the T.V. Besides, the Devil's helpers control the entire television industry (network) from the cinema to the daily news, constantly promoting chaos & confusion. The news is bogus, edited to portray the message they want felt. To add to that, it's too many Scrolls by our Master Teacher we all need to read /or re-read (to catch up on). For this reason as well, we DO NOT watch T.V. We DO NOT watch senseless sitcoms, game shows, soap operas, different kinds of sports, videos, & the list goes on. We DO NOT need a personal T.V. Inside of **Paa Munzal's** Wu Nuwaupu Community. We DID NOT watch T.V. inside of the Ansaaruallah Community, unless we needed to see if it was going to possibly rain that day prior to leaving out to Propagate -or- to do construction on the Community property. Otherwise, the Community T.V. we had was never on. There was only one T.V. in the Brothers, as well as the Sister's Living Quarters. We DO NOT have plasma T.V.s or several flat screen T.V.s in every other room, as most people do who are under the Hypnotic Evil Spell.

20. Let's reflect **Paa Munzal** !!! DO NOT FEED INTO NEGATIVE VISIBLE OR INVISIBLE FORCES & BECOME DEMONICALLY POSSESSED by **PLAYING VIDEO GAMES**. Video games are designed to put children in a trance, where nothing else around them matters. Consciously playing video games, yet they are literally part-hypnotized by the intricate detail of the game, mind control. Video games also de-sensitize people or makes a person barbaric / uncaring / unsympathetic / unkind / creating killer instincts. It pre-trains people to be killers or to risk killing themselves, based on the plot of most violent video games. Now, it's even ongoing profanity & slang used in the video games (as well as cartoons), to encourage a self-destruction lifestyle. Video games have an addictive effect such as nicotine, cocaine, junk food, sex, & the carnal likes, because people find it nearly impossible to put down that joystick, as if it's a crack pipe.

21. Let's reflect **Paa Munzal ! ! !** DO NOT FEED INTO NEGATIVE VISIBLE OR INVISIBLE FORCES & BECOME DEMONICALLY POSSESSED by GAMBLING. A Nuwaupian whose addicted to gambling is obviously tricked by one of the many Spells used with the Dollar Bill, as a lack control of his or her desires. **Paa Munzal** taught that the word "Bill" & "Ball" derived from "Baal." The spell of the Dollar Bill makes people say "I'm balling to make big bills," thus praising Baal. The urge to gamble is definitely Demonic Possession, just as any other sensational rush that seems to erase all logic. If you hope to win the lottery, well you did & then some. We won that day we accepted Right Knowledge, for it's worth more than all the gold, diamonds, platinum, benjamins, stocks & bonds, etc. (all of that combined & then some). Whether it's scratch offs, casinos, dog or horse races, or making bets on sports for profit - it's all a form of trickery. Gambling is another means that the Evil One causes mis-management of funds that could have been used for more constructive pursuits. Demons ride people under the Spell of the Dollar Bill, the driving force to a restless spirit of a compulsive gambler.

22. Let's reflect **Paa Munzal ! ! !** DO NOT FEED INTO NEGATIVE VISIBLE OR INVISIBLE FORCES & BECOME DEMONICALLY POSSESSED by being addicted to using a COMPUTER for vain or worldly pursuits, keeping one under the Evil Hypnotic Spell. Nuwaupians should use computers to do research for facts, not for reasons that are not related to Wu Nuwaupu. We DO NOT surf the web in **Paa Munzal's** Wu Nuwaupu Community, for the word websites subliminally means "Keep your sight on the Devil's Web." That's why you see spider web's on a dollar bill, to catch people like a spider does it's prey. **Paa Munzal** also taught us that **www.com** is really **666.com** meaning "Come into 666," because **www** is really **waw waw waw**, which is the 6th letter of the Hebrew alphabet. Just as **IBM** is **HAL**, because IBM is one letter before HAL, which is the computer that took over the world in **Space Odyssey 2000** & **Demolition Man**. As **IBM / HAL** has done in real life. Besides the negative waves that computers give off.

We always seek refuge in Paa Akhthur A'a Re by fully living Paa Taraq / The Way of Wu Nuwaupu! So, computers ARE NOT used constantly in Paa Munzal's Wu Nuwaupu Community. Computers are only used for Wu Nuwaupu printing purposes & research on Wu Nuwaupu related topics, but not for vain, irrelevant, or self-gratifying motives.

23. Let's reflect **Paa Munzal** !!! DO NOT FEED INTO NEGATIVE VISIBLE OR INVISIBLE FORCES & BECOME DEMONICALLY POSSESSED by FAILING TO RECOGNIZE SIGNS OF GUIDANCE from Paa Nazdaru. Our Etheric Parents communicate telepathically as well as by placing key signs before us. Paa Munzal gave us a Daily Affirmation, wherein #1 states: "I listen for the voices of my creators & I look for the signs of the Most High." Paa Munzal stated that the presence of different animals represent messages or clues, which originated with the various head pieces worn by our Ancient Egiptian Anscetors. There are many positive signs that are sent by Paa Nazdaru such as **eagles, blue birds, hawks, & doves**. Also, numbers such as **333, 444, 777, 888, & 999** which are signs which represent various degrees in perfection. We are given signs from Paa Nazdaru constantly through certain **birds, sensing positive or negative vibes, numbers such as 666 or 999 seen on a license plate, by times on a clock at an exact moment, hearing certain songs & seeing certain T.V. programs of great relevance, using gems & amulets, opening a scripture to a random page for guidance, & by abnormal planetary & galatical changes**. Certain colors of clothing, cars, & buildings associate with positive or negative energy. Certain days of the year also have a positive or negative association with them. Interpreting signs is similar to using the stones of the Urim & Thummim, where we are communicating with the Etheric world by way of the stones & by signs. There are signs all around us which can guide us throughout our daily lives, if we learn to delve deeper into things (looking into then, not just at them), as taught to us by Paa Munzal.

We always seek refuge in Paa Akhthur A'a Re by fully living Paa Taraq / The Way of Wu Nuwaupu! Which includes such keys as: Living AGREEABLY Of, For, & By Each Other, Psychic Self Defense Methods, Egiptian Amulets of Protection, & Reciting the Zakurane (chants), which were all given to us by way of our Beloved Master Teacher Paa Munzal to protect ourselves from Adverse Evil Forces!

24. Let's reflect **Paa Munzal** !!! DO NOT FEED INTO NEGATIVE VISIBLE OR INVISIBLE FORCES & BECOME DEMONICALLY POSSESSED by being addicted to using a CELL PHONE. Nuwaupians should only use a cell phone if necessary to conduct Wu Nuwaupu Community business. Once Communities are formed, DO NOT gossip on the phone, send irrelevant text messages, use chat lines, nor keep purchasing new model phones as they are released. Presently, many people use cell phones to conduct their business as entrepreneurs. Yet let's remember: Telephone is "tell lies phonetically," as taught to us by our Master Teacher, because people usually end up gossiping on the phone without that original intention. Students of **Paa Munzal** DID NOT run out to purchase cell phones when cell phones became popular in the early 90's. However, cell phones are more common than home lines. Yet, DO NOT get seduced into using cell phones for ANY reason that puts us back under the Evil Hypnotic Spell.

25. Let's reflect **Paa Munzal** !!! DO NOT FEED INTO NEGATIVE VISIBLE OR INVISIBLE FORCES & BECOME DEMONICALLY POSSESSED by PLAYING WITH FIRE, or being careless with fire (such as leaving a stove or oven in the ON position after cooking). **Paa Munzal** taught us that "Will" is like unto fire, which can be used to warm or baby or burn a house down. An arsonist is Demonically Possessed in misusing fire, which in such cases represents the Garubaat: Naar Samuwn / the smoleless fire or amber light. Be mindful when cooking: DO NOT fall asleep, nor leave food cooking unattended, for that's a sign of being mentally distracted or possessed by Demonic Entities. Stay focused on cooking when cooking with a gas or electric stove (both are fire). DO NOT allow Children to play with matches, cigarette lighters, nor fireworks. NOTE: It's always best to use an incense holder when burning incense, to catch the ashes. Be not blinded by the light, avoid harm from misusing it; take safeguard from the negative possibilities.

We always seek refuge in Paa Akhthur A'a Re by fully living Paa Taraq / The Way of Wu Nuwaupu! Which includes such keys as: Living AGREEABLY Of, For, & By Each Other, Psychic Self Defense Methods, Egiptian Amulets of Protection, & Reciting the Zakurane (chants), which were all given to us by way of our Beloved Master Teacher Paa Munzal to protect ourselves from Adverse Evil Forces!

26. Let's reflect **Paa Munzal ! ! !** DO NOT FEED INTO NEGATIVE VISIBLE OR INVISIBLE FORCES & BECOME DEMONICALLY POSSESSED by being UNCLEAN. Paa Munzal taught us that Cleanliness is next to Godliness, as well as the principles relative to Purity & Neatness. Since 1970 AD., he's taught us how to be clean internally & externally. The Ansaaruallah Community was built upon cleanliness, which is why **Paa Munzal** (while **Imaam Isa**) called us **Al Mukhlasiyna, The Purified Ones**. There are many aspects to cleanliness, which are all vital to our overall well being. Hygeine, cleanliness of the Wu Nuwaupu Community, our worldly homes, our workplace, vehicles, etc. are all included when it comes to being clean. Agreeableness associates with being clean. Disagreeableness associates with being unclean. Mental & physical cleanliness go hand in hand, as one thinketh so is he or she. Thus, what you see is what you get & it's as clean as you concentrate on making it clean.

27. Let's reflect **Paa Munzal ! ! !** DO NOT FEED INTO NEGATIVE VISIBLE OR INVISIBLE FORCES & BECOME DEMONICALLY POSSESSED by SENSELESS TALKING. Paa Munzal taught us that one of the lower forms of love is "The love of one's own tongue," which is why people love to hear themselves talk, even if they're aren't saying anything important whatsoever. Some people have diahhrea of the mouth, wasteful conversation., rambling on and on about nothing of true substance. **Paa Munzal** teaches us how to practice silence through meditation & concentration. **Paa Munzal** taught "We have 1 mouth, 2 eyes, & 2 ears, which means we should look & listen twice as much as we speak." People say conversation rules the nation, which is bad when it's Spell binding conversation(s). DO NOT allow people to pull us into having an senseless conversation with them, tell them you can't engage in gossip, slander, or Spell-binding dialogue. If necessary, politely ignore them. Senseless talking leads to slander, backbiting, rumors, exaggerating, joking, mocking, arguments, gossiping, & lies,

28. Let's reflect **Paa Munzal** !!! DO NOT FEED INTO NEGATIVE VISIBLE OR INVISIBLE FORCES & BECOME DEMONICALLY POSSESSED by getting **NERVOUS**. Biting your finger nails, studdering, constant picking with your hair, smoking cigarettes, drinking alcohol, gambling, finding it hard to relax, lack of concentration, ulcers, paranoia, or simply worrying are all related to nervousness. Even ego is a form of nervousness, hoping someone is looking at you, actually an insecurity. **Paa Munzal** divine words of Right Wisdom state: '**To seek security is a sign of insecurity.**' Losing all desires, not becoming physically attached to anyone or anything will keep one from getting nervous. Being nervous stems from desiring or holding onto illusions of stability, deceived to think receiving carnal gratification can solve all problems. Overstand that the vast tricks of the Evil Spell are ALL designed to cause disharmony to our Mind, Spirit, Soul, & Body, which actually creates damage unrecognizable for some years to come. The effects of the Evil Spell manifest as subconscious (extremely subtil) to obvious nervous disorders. **Paa Munzal** taught to practice "**Relax & let go.**" Simply relax & let go, which relieves tension. Which is built up negative energy. He taught us to sit in a lotus position, then clear our minds of all thoughts, not allowing our mind to think of anything . . . just relax completely. This divine, yet simple method, will help relieve certain degrees of nervousness. Ultimately, it's only by fully surrendering one's life to the Will of **The Most High / A'lyun A'lyun El / Paa Akhthur A'a Re**, that one finds ongoing peace of mind, absent of any nervous behavior.

29. Let's reflect **Paa Munzal** !!! DO NOT FEED INTO NEGATIVE VISIBLE OR INVISIBLE FORCES & BECOME DEMONICALLY POSSESSED by **LYING**. As taught to us by Our Beloved Master Teacher we DO NOT lie. He taught us that all lies stem from the truth. Thus, the truth has to be altered somehow in order to make a lie. The 100% truth can become 99% truth by changing 1% into a lie. The percentage of truth decreases as the the percentage of lies increase. The Devil is the **Father of Lies**, the **Father of Deception**, & the **Master of Tricknology**, whose crafty at making lies appear to be true.

We always seek refuge in Paa Akhthur A'a Re by fully living Paa Taraq / The Way of Wu Nuwaupu! Which includes such keys as: Living AGREEABLY Of, For, & By Each Other, Psychic Self Defense Methods, Egiptian Amulets of Protection, & Reciting the Zakurane (chants), which were all given to us by way of our Beloved Master Teacher Paa Munzal to protect ourselves from Adverse Evil Forces!

He makes evil fairseeming or seem fair, thus evil is quite often mistaken for fairness or trueness. A habitual liar or telling a so called white lie are both Demonic traits. We live up to truth, never up to lies. We DO NOT exaggerate, for it's also a degree of lying. We DO NOT support anyone who is a supporter of lies or doesn't mind promoting lies. We DO NOT lie to avoid getting into trouble, & we DO NOT lie thinking that it will get us out of trouble. Lying is like digging a hole, the more lies that someone tells, then the deeper the hole gets. DO NOT lie to others & DO NOT lie to ourselves, for a lie is still a lie no matter where it is aimed. **Paa Munzal** said one thing that we NEVER do to him, that's: "**Lie to him!**" Besides, our Master Teacher has always said, "**Only fools duck when the truth is thrown at them.**" Fools duck behind lies, preferring to get hit with lies rather than hit with the truth.

30. Let's reflect **Paa Munzal** !!! DO NOT FEED INTO NEGATIVE VISIBLE OR INVISIBLE FORCES & BECOME DEMONICALLY POSSESSED by **BRAGGING & BOASTING**. Bragging & boasting is like stretching the truth, attributes of the Evil One, who wanted to ascend above the stars (**Paa Nazdaru** & Higher Planes) to be higher than the **Most High**. The me, myself, & I ego tripping mindset causes one to brag & boast, a voidness of truth. People who brag & boast about themselves, or their car / home / clothes, or any Hypnotic Spell related topic are lost whether they overstand it or not. If we brag or boast about anything, let it be on the divine teachings of Wu Nuwaupu, & strive to live it not just brag & boast about it. **Paa Munzal** is the only person (we've directly or indirectly met on Earth) whose earned every right to be bragged upon, based upon tangible evidence of his divine works. Speaking highly of **Paa Munzal** is not really bragging nor boasting, it's an actual fact! **Paa Munzal's** works are so powerful & motivational: His teachings still stand alone even if spoken of very calmly, without the need to add any extras. We become "**Selfless**" once we are truly rooted in Wu Nuwaupu, which is void of bragging & boasting on self. People who boast & brag on themselves are showing degrees of their ego. Ego is our greatest hinderance to attaining perfection, keeping us from reaching total divinity, as revealed to us by our Master Teacher.

We always seek refuge in Paa Akhthur A'a Re by fully living Paa Taraq / The Way of Wu Nuwaupu! 31. Let's reflect **Paa Munzal ! ! ! DO NOT FEED INTO NEGATIVE VISIBLE OR INVISIBLE FORCES & BECOME DEMONICALLY POSSESSED** by using **DRUGS**.

Drugs are indeed:

D - emons

R - uining

U - s

G - odly

S - ouls

We DO NOT sell, use, nor suggest the use of illegal drugs (be it marijuana, cocaine, heroine, speed, pcp, and the list goes on). Using and/or selling drugs is detrimental to a person mentally, physically, & spiritually. The spiritual harm done is far worse than the the physical harm or consequences. They are a danger to themselves, as well as danger for those they hang around. The negative fate or karma that befalls people who are participants in that demonic venue is inevitable.

Open Our 3rd Eye & Heart To The Holy Tablets, Ch. 7, Tablet 11, verses 3-8, pg. 733:

3. What ye must always remember is:
4. By taking proper care of your physical body, you are protecting your inner spirit,
5. And by poisoning your physical body, be it through drugs, alcohol,
6. Cigarettes, junk food,
7. Sugars, or salts, and I can on,
8. You are doing serious harm to your spirit, and it becomes weaker and weaker.

(PLEASE GO BACK & READ THE REMAINING VERSES OF TABLET 11)

Demonic Entities possess people who are in that badly altered state of consciousness due to a so called "**High**," which should really be called a "**Low**" in the 9 Planes of Existence, relative to the state of consciousness one falls to from using drugs.

We always seek refuge in Paa Akhthur A'a Re by fully living Paa Taraq / The Way of Wu Nuwaupu! Which includes such keys as: Living AGREEABLY Of, For, & By Each Other, Psychic Self Defense Methods, Egiptian Amulets of Protection, & Reciting the Zakurane (chants), which were all given to us by way of our Beloved Master Teacher Paa Munzal to protect ourselves from Adverse Evil Forces!

32. Let's reflect **Paa Munzal** !!! DO NOT FEED INTO NEGATIVE VISIBLE OR INVISIBLE FORCES & BECOME DEMONICALLY POSSESSED by **MAKING EXCUSES TO DO WRONG / JUSTIFYING WRONG ACTIONS.** Paa Munzal's Divine Word's Of Right Wisdom teach us that:

"Some people think rules are made to broken."

&]

"The exceptions always try to outnumber the rules."

The exceptions are the excuses made in various degrees by anyone lacking Sound Right Reasoning. You become your worst enemy when you make excuses for your wrong actions, for you reap what you sow even harder when you know better. Some people are completely unaware or in denial of the effects that the Evil Spell has on them. Most people would rather get rich or die trying instead of living Right Knowledge, while some mistake money as a blessing from their God. Sad to say, but a lot of good people possess bad habits that constantly produce bad results. Making excuses reveals the lack of necessary will power to reach higher levels of discipline. The spirit is willing, but the flesh is weak in many cases. It's common to be worn out or drained by the attacks on the soul from Visible & Invisible Adverse Forces. Being worn out mentally, physically, & spiritually creates unfortunate low levels of discipline in all areas. Again, the Evil One is successful at making evil appear good (like what taste good but is bad for you). Therefore, most people are fooled by Haylal's tricknology that gives them instant gratification followed by long term harmful effects. Tricknology can be hard to identify, & even harder to resist for many. It's predictable that people will make constant errors if they lack both Right Knowledge & will power. Unfortunately, most people mistake evil to be good. However, students of **Paa Munzal** seek to Break the Hynopyic Evil Spell. Thus, ignorance is no longer an excuse if you are a true student of **Paa Munzal**. As **Paa Munzal** says:

"There are no shortcuts on the spiritual path."

We always seek refuge in Paa Akhthur A'a Re by fully living Paa Taraq / The Way of Wu Nuwaupu! Which includes such keys as: Living AGREEABLY Of, For, & By Each Other, Psychic Self Defense Methods, Egiptian Amulets of Protection, & Reciting the Zakurane (chants), which were all given to us by way of our Beloved Master Teacher Paa Munzal to protect ourselves from Adverse Evil Forces!

33. Let's reflect **Paa Munzal** !!! DO NOT FEED INTO NEGATIVE VISIBLE OR INVISIBLE FORCES & BECOME DEMONICALLY POSSESSED by using PROFANITY / CURSING. Using profanity is a sign of poor self-control, as well as a very shallow thought process. People who use profanity a lot should strive to say an intelligent word rather than profanity. As one practices replacing profanity with a more intelligent word, it aids in the development of self-control & positive thinking. DO NOT allow yourself to start using profanity if you hear others use it. Using profanity regresses in the direction of becoming Homo Erectus, a monkey see monkey do. Profanity rubs off & becomes a terrible habit on many people, especially the children for they mimick everything they see & hear. We DO NOT use profanity in **Paa Munzal's** Wu Nuwaupu Community. We recognize it really has no spiritual benefits, even when it's used to stress a certain point.

34. Let's reflect **Paa Munzal** !!! DO NOT FEED INTO NEGATIVE VISIBLE OR INVISIBLE FORCES & BECOME DEMONICALLY POSSESSED by USING THE WRONG COLOR. **Paa Munzal** taught us to overstand the color spectrum and it's relation to creation. Certain colors reflect the lower chakras & attract Invisible Adverse Forces to us. **Paa Munzal** made us aware that colors stimulate various moods, both agreeable & disagreeable. We attract Demonic Entities to us if our aura is changed to ANY negative low vibratory color, such as shades of red or orange. Thus, we DO NOT handle anything made with negative colors that will shift our aura in the wrong direction. Many people are unaware or take for granted how negative colors are self-destructive. It is Right Wisdom to remove any items from your immediate enviroment that's coated with any color reflecting low vibrations, or either paint that item blue, green, white, yellow, indigo (any color that reflects the higher self). This is a divine principle we always apply inside of **Paa Munzal's** Wu Nuwaupu Community.

We always seek refuge in Paa Akhthur A'a Re by fully living Paa Taraq / The Way of Wu Nuwaupu! Which includes such keys as: Living AGREEABLY Of, For, & By Each Other, Psychic Self Defense Methods, Egiptian Amulets of Protection, & Reciting the Zakurane (chants), which were all given to us by way of our Beloved Master Teacher Paa Munzal to protect ourselves from Adverse Evil Forces!

35. Let's reflect **Paa Munzal** !!! DO NOT FEED INTO NEGATIVE VISIBLE OR INVISIBLE FORCES & BECOME DEMONICALLY POSSESSED by GIVING & ACCEPTING FLATTERY. Paa Munzal taught us that the Evil One is known also as "The Flatterer," for he flatters people to make them drop their guard, so he can ease his way in with his evil traps. The Evil One & his evil human helpers will flatter you, smile in your face, & finally stab you in your back. The Evil One has taught people to use flattery as a marketing strategy to sale an idea. Be cautious for flattery feeds the ego, causing layers upon layers of self-deception. The Spell of Kingu teaches people to welcome flattery more than constructive criticism. However, constructive criticism is an aspect of Divine Love, an expression of concern to strengthen our Brother & Sister. Flattery is used in mental warfare, to distract an opponents attention by making comments to make a person feel good, followed by the hidden agenda. Flattery massages the Ego: me, myself, & I. Thus, **Paa Munzal** taught us to ALWAYS GIVE ALL PRAISE to **The Most High / Paa Akhthur A'a Re** to avoid flattering ourself, as well as to reject flattery from others. **Paa Munzal** taught us to beware of when someone is flattering us, for that someone has an ulterior motive. Negative opinions are bound to arise later if a person starts off with flattery. We turn away from flattery by dedicating our lives to **Paa Nazdar shil Nazdaru**, becoming self-less. Exhausting the ego to attain ultimate perfection, as taught to us by **Paa Munzal**. He teaches us not to give into the highs as well as lows of human emotions, which attaches us to game of the 5 P's. Flattery is one of many false highs, which only pumps a person up with ego, arrogance, & illusions.

36. Let's reflect **Paa Munzal** !!! DO NOT FEED INTO NEGATIVE VISIBLE OR INVISIBLE FORCES & BECOME DEMONICALLY POSSESSED by BEING A BULLY / PICKING ON PEOPLE. Behaving as a bully or tyrant within **Paa Munzal's** Wu Nuwaupu Community is totally unacceptable, & totally disagreeable in the Laws of Wu Nuwaupu.

We always seek refuge in Paa Akhthur A'a Re by fully living Paa Taraq / The Way of Wu Nuwaupu! Which includes such keys as: Living AGREEABLY Of, For, & By Each Other, Psychic Self Defense Methods, Egiptian Amulets of Protection, & Reciting the Zakurane (chants), which were all given to us by way of our Beloved Master Teacher Paa Munzal to protect ourselves from Adverse Evil Forces!

We should not allow students of **Paa Munzal** (young or old) to go around bullying anyone for the thrill of it. Bullying is a sign of Demonic Possession, which vibrates off the lower chakra / the red zone where demon & beast traits surface. People who bully others are calling out for attention, by protraying to be the toughest person on the block. We must truly respect one another at all times, never be rude nor inconsiderate. Picking on someone who only appears weaker is an affliction of ego. A bully is ignorant to the Law of Karma, what comes around goes around. Bullying shows hate towards self, kind, & all others. Treat people the way you wish to be treated. Don't allow yourself nor other fellow Nuwaupians to be mistreated by a bully. We cannot allow Nuwaupian children to grow up as bullies, picking on other Nuwaupian children, nor any other child. It dishonors the example set forth by our Master Teacher. Being a bully is one way a Demonic Spirit enters the mind & heart of a person, becoming a destructive vessel on behalf of the Evil One. A bully is actually a war monger at a lesser degree. We have to learn to care as our Master Teacher has told us & showed us. Therefore, bullying DOES NOT have any place in the life of a true Nuwaupian, who proclaims to be a true student of **Paa Munzal**.

37. Let's reflect **Paa Munzal** !!! DO NOT FEED INTO NEGATIVE VISIBLE OR INVISIBLE FORCES & BECOME DEMONICALLY POSSESSED by **TAKING THINGS FOR GRANTED**. Taking things for granted associates with ignorance. The longer we live, the wiser & more responsible we should become as individuals. Taking things for granted is an option of someone who runs away from taking responsibility. Taking things for granted is sewn within the character of human beings as the the retreat mode, as opposed to the advance mode. Taking things for granted only assures problems will get worse, & the same problems return to haunt you when least expect it. Ignorance means to ignore the facts, which is done when someone takes things for granted. A perfect example of taking things for granted is the present position of our Master Teacher, & how we failed to totally cooperate with him as a whole in the past by not giving 100%. Taking things for granted is definitely not Sound Right Reasoning. **Paa Munzal** has never taking things for granted, thus he knows how to completely Break the Spell, not partially. We must become like him.

We always seek refuge in Paa Akhthur A'a Re by fully living Paa Taraq / The Way of Wu Nuwaupu! Which includes such keys as: Living AGREEABLY Of, For, & By Each Other, Psychic Self Defense Methods, Egiptian Amulets of Protection, & Reciting the Zakurane (chants), which were all given to us by way of our Beloved Master Teacher Paa Munzal to protect ourselves from Adverse Evil Forces!

38. Let's reflect **Paa Munzal** !!! DO NOT FEED INTO NEGATIVE VISIBLE OR INVISIBLE FORCES & BECOME DEMONICALLY POSSESSED by INSTIGATING -or- ENCOURAGING WRONG DOING. Some people are cheerleaders in support of trouble. Instigators love to incite violence, arguments, fights, confrontation, or strife among anyone willing to listen. We cannot instigate nor encourage wrong doing on a small or large scale. DO NOT suggest that people use foolish violence to resolve any problem(s). Violence is not to mistaken as self-defense. Self-defense can appear violent, but its motive is different. We are in the Sun Cycle, the Age of Noopooh a progressive cycle, therefore we DO NOT repeat regressive behavior which was done throughout the Moon Cycle & the Age of Zoopooh. We must always uplift one another in higher standards of being that express Divine Love. **Paa Munzal** never instigated nor encouraged wrong doing to anyone, despite race or creed. The Law of Cause & Effect will pay everyone there just reward or punishment, so there's no need to instigate violence as retribution for divine retribution will indeed come by the Divine Laws of Existence.

39. Let's reflect **Paa Munzal** !!! DO NOT FEED INTO NEGATIVE VISIBLE OR INVISIBLE FORCES & BECOME DEMONICALLY POSSESSED by JUMPING TO CONCLUSIONS. **Paa Munzal** taught us that "Jumping to conclusions is the worse exercise." He contains & relays facts to generate the a supreme sense of awareness. Assuming means to make an ass out of self, which is a normal action amongst mortals. Assuming is due to the Spell of Belief. Assuming escapes thinking analytically with facts, which is a sign of an immature or lazy thought process. Speculating, hypothesizing, guessing are synonymous with assuming. As factologist, or in factology, we DO NOT assume. We are neutral in our standpoint, until we acquire facts in order to make a factual statement, We have be given the Actual Facts by our Master Teacher throughout the years, relative to our ability to comprehend at those particular times.

We always seek refuge in Paa Akhthur A'a Re by fully living Paa Taraq / The Way of Wu Nuwaupu! Which includes such keys as: Living AGREEABLY Of, For, & By Each Other, Psychic Self Defense Methods, Egiptian Amulets of Protection, & Reciting the Zakurane (chants), which were all given to us by way of our Beloved Master Teacher Paa Munzal to protect ourselves from Adverse Evil Forces!

Our Master Teacher instilled in us to ask questions: Who? What? When? Where? How? Why? What is the nature thereof? & What is the intent thereof? So, we DO NOT be assumers or speculators. Yet, people get offended when you ask such questions, because society is built multiple layers of lies. Life is about the truth -vs- lies, You must KNOW the truth (based on facts), & the truth (based on facts) will make you free! Thus, we want to know. "Know" is the root word of "knowledge," which has no limits, categorized by 720 degrees, reduces to 9. To truly "know" takes either 1 up to 3 things: (1) Undisputable Evidence, (2) Firsthand Experience, or (3) Sound Right Reasoning, as taught to us by our Master Teacher. If someone DOES NOT know something they normally assume or speculate, as a result of being maimed in this last cycle. We had a Barathary Gland, so that we could know. Therefore, we DID NOT have to assume nor speculate. We see what a Barathary Gland enables us to do, based upon the divine works by **Paa Munzal**, **Paa Munzal** DOES NOT assume nor speculate about any person, place, or thing. Nuwaupians ultimately must re-earn our Barathary Gland if we wish to follow in **Paa Munzal's** footsteps, to avoid assuming & speculating as mortals (due to not having a Barathary Gland).

40. Let's reflect **Paa Munzal** !!! DO NOT FEED INTO NEGATIVE VISIBLE OR INVISIBLE FORCES & BECOME DEMONICALLY POSSESSED by being **FEARFUL** to stand up for Wu Nuwaupu. **Paa Munzal** has made us aware that the last of the 19 Ways To Become Divine is: "**Have no fear of anyone nor anything.**" The fear of death or loss is the common fear within mortals, who are deceived into clinging onto this temporal life. Not living Wu Nuwaupu is a challenge all Nuwaupians face in order to break the Spell, which can manifest as a lack of Right Knowledge, negligence, & fear. The Evil Spell blinds us to cling onto physical persons, places, & things (all deteriorating molecules), to be abandoned one day whether we're ready or not. Overcome fear means to give up earthly attachments: **Open Our 3rd Eye & Heart To The Urim & Thummim / The Blank Stone, pg. 106:** Drawing a blank stone brings forth our deepest fears: Will I fail? Will I be abandoned? Will it all be taken away? And yet our fertile dreams are held within that blankness.

We always seek refuge in Paa Akhthur A'a Re by fully living Paa Taraq / The Way of Wu Nuwaupu! 41. Let's reflect **Paa Munzal** !!! DO NOT FEED INTO NEGATIVE VISIBLE OR INVISIBLE FORCES & BECOME DEMONICALLY POSSESSED by making a **MAKING A MOCKERY**. Speaking lowly of someone without undisputable evidence is mockery, becoming indirect or direct disrespect. When we speak of the nature or intent of a person, we should base it upon facts: Who? What? When? Where? How? & Why?, not assumption or speculation. Otherwise, we can be making a mockery of that which we have no knowledge of. Misinformation comes in many degrees, which is why we must base our claims on facts, so that we DO NOT give off the wrong impression. **Paa Munzal** spoke of mockery in relationship to the Evil One, as a stage within the Urim & Thummim that we must be aware of.

Open Our 3rd Eye & Heart To The Urim & Thummim / The Messenger Stone, pg. 70-71:

When the Most High created the kosmos, Nuwaubic kasmus, he created both tobe "Agreeable" and Ra'a "Disagreeable" Anunnaqis. The Anunnaqi of which we speak here is a Ra'a Anunnaqi, otherwise called a jinn. He is the Arch thief, the Ancient trickster that existed during the time of Zodik Solomon. His name is Sakhra (Asmodeus), the heyeohkah of North American Indian folklore and mythology, "A mocking shadow of the creative force." In mythology he is a strange, androgynous figure (having charecteristics of both male and female), who guards the keys that open the doors to great wisdom. He attempts to act as the tobe Anunnaqi Eloheem Gabriy'el son of Rasi'el and Zamma'El who carried messages between El Elohe, the Anunnaqi and man, but don't be fooled!

One can make a mockery unintentionally, by opinionating upon the efforts of others without supported evidence. One can become a mockery by adopting incorrect principles & misinformation, which are tricks of the Evil Spell. The mocking bird is a sign, when seen, that the forces of mockery are at work. We must aware if a Disagreeable Anunnaqi is inspiring us, to prevent alignment with Disagreeable Forces. Thus, we avoid being associated with any degree of mockery. Mockery starts as a way of thinking manifesting into a physical act, thus it's a must we monitor our THOUGHTS & ACTIONS.

42. Let's reflect **Paa Munzal** !!! DO NOT FEED INTO NEGATIVE VISIBLE OR INVISIBLE FORCES & BECOME DEMONICALLY POSSESSED by **TAKING BRIBES** - or- **BEING A SELL OUT**. A person can be a sell out, whether they realize it or not. Everyone is a part of the problem -or- part of the solution in some degree. As **Paa Munzal** taught us: **"You are all right, or you're not right at all."** People unfortunately sell out to misinformation constantly -&- will consciously sell out their own people to aid Adverse Forces!!! **Paa Munzal** taught & showed us: **"Loyalty is the greatest gift you can give anybody,"** eliminating treason or selling out. What profit a mortal to gain the whole world & lose his own soul, by taking bribes / blood money / being paid to de-moralize the self & kind / thus they sold out working on behalf of The Beast. We have to remove the clutches on our lives that the Beast has imposed upon us! Stop living in his image, to avoid selling out in any degree. Make a choice to be a sell out or not, for according to the Lesser Mysteries: **"No man can serve two masters."**

Open Our 3rd Eye & Heart To The Urim & Thummim / The Retreat, Inheritance Stone, pg. 72:

This is a time of separating paths. Old skins must be shed, outmolded relationships discarded. When this stone appears in a spread, a peeling away is called for. The cycle stone, Hen is a state of fundamental separation. The proper action here is submission, and quite probably retreat. Knowing how and when to retreat, and being determined enough to do what is necessary.

Real property is associated with this stone, for Hen is the stone of gaining & benefits. However, the benefits you receive, **"The Inheritance,"** may be derived from something you must give up. This can be particularly difficult when that which you are called upon to give up or abandon is part of your background, cultural inheritance. For then, you must look closely at what, until now, you have proudly claimed as your birthright. Whether it is your attachment to your position in society or to the work that you do, the separation called for now will free you to become the person that you really are.

43. Let's reflect **Paa Munzal** !!! DO NOT FEED INTO NEGATIVE VISIBLE OR INVISIBLE FORCES & BECOME DEMONICALLY POSSESSED by being ABUSIVE, be it spousal abuse, child abuse, or any expression of mental or physical abuse. People often become the victim of the victim, abused by someone who may or may not be aware that life's stress is a direct result of the abuse under the Evil Spell. Therefore, people take their abuse out on others. Whether it's the reptilian part of our nature or the response due to mind control, abuse unfortunately is still abuse. We must counter abuse with Divine Love, by first learning to care & share, as taught to us by **Paa Munzal**. Our Master Teacher says that all our efforts are in vain if we DID NOT do it with A'shuq / Divine Love. The Lesser Mysteries mentioned that the love of many will wax cold in the latter days, as a result people will prefer not to help anyone but themselves. Thus, subtil abuse to obvious abuse can be seen regularly in people's uncaring attitudes, as **Paa Munzal** mentions here:

Open Our 3rd Eye & Heart To The Urim & Thummim / Difficulty (Pain) Constraint Necessity Stone, pg. 77-78:

Upright or reversed, this is a difficult stone. The necessity of dealing with severe constraint is its lesson. It's positive aspect represents the limitations we directly cause ourselves; its negative side attracts limitations from people around us. Both are equally difficult to handle. The role of Ka'wub is to identify our "Shadow" areas, places where growth was stunted, resulting in weakness we project negativity onto others. As a rule, try not to take things so personally. This stone is saying: Work with the shadow, examine what inside you magnetizes misfortune into your life. When at last you can look upon Ka'wub with a smile, you will recognize the trouble, denials, and setbacks of life as your guides, teachers, and developers.

44. Let's reflect **Paa Munzal** !!! DO NOT FEED INTO NEGATIVE VISIBLE OR INVISIBLE FORCES & BECOME DEMONICALLY POSSESSED by having **FALSE HOPES & UNREALISTIC DREAMS**. The Evil Spell instills us with false hopes, false ambitions, falsehoods of all sorts. Thus, it's easy for anyone whose not a student of **Paa Munzal** to be tricked by the countless illusions. Many people are aimless in their purpose for living, ignorantly embracing the tricks that the Evil One & his fallen host have plotted. **Paa Munzal** said there is no other direction but upwards from this density. This is as physical or lost as we can get, ending the climax of 6 Ether Cycles. Thus, everything we thought or dreamed to be true was indeed half true or partial true, false hopes & unrealistic dreams. This carnal reality IS NOT Divine Reality nor built upon Divine Truth. It's a world where mortals have a chance to exercise their lowly desires. However, in return lowly desires must lead to suffering in order to learn it's more than meets the eye. **Paa Munzal** teaches us not to give into emotion or desires, breaking the Spell of false hopes & unrealistic dreams.

Open Our 3rd Eye & Heart To The Urim & Thummim / Protection Surge Or Rushes An Elk Stone, pg. 82:

Control of emotions is at issue here. During times of transition, shifts in life's course, and driven self-change, it is important not to give into your emotions, the highs as well as the lows. New opportunities and challenges are typical of this stone. And with them will come trespasses and unwanted influences.

45. Let's reflect **Paa Munzal** !!! DO NOT FEED INTO NEGATIVE VISIBLE OR INVISIBLE FORCES & BECOME DEMONICALLY POSSESSED by **RUDELY INTERRUPTING OTHER PEOPLE WHEN THEY'RE TEACHING WU NUWAUPU**. **Paa Munzal** teaches us to listen twice as much as we speak. Thus saith **Paa Munzal**: He who keeps silent is safer from the arrows of error. We always allow fellow Nuwaupians to share what they've learned on their journey within Right Knowledge.

We always seek refuge in Paa Akhthur A'a Re by fully living Paa Taraq / The Way of Wu Nuwaupu! Which includes such keys as: Living AGREEABLY Of, For, & By Each Other, Psychic Self Defense Methods, Egiptian Amulets of Protection, & Reciting the Zakurane (chants), which were all given to us by way of our Beloved Master Teacher Paa Munzal to protect ourselves from Adverse Evil Forces!

Thus saith Paa Munzal: "Do you step aside to give way to another's thoughts." It's extremely wise to remain silent & listen to any Nuwaupian sharing what they've learned from our Master Teacher. Paa Munzal's cup runneth over to the point that even if someone was fortunate to live with him, they still would never hear everything that he has to teach. Thus saith Paa Munzal: "Don't say I never told you so, just say you weren't listening." Always keep our ears open to hear the countless jewels we've all learned from Paa Munzal. We must constantly re-iterate the divine teachings of our Master Teacher, as we each one teach one what we've learned from him over the years. Always allow another Nuwaupian to speak about Paa Munzal's countless jewels, not interrupting them as they speak, for it's very likely that you were not present to hear those particular jewels from our Master Teacher.

46. Let's reflect Paa Munzal !!! DO NOT FEED INTO NEGATIVE VISIBLE OR INVISIBLE FORCES & BECOME DEMONICALLY POSSESSED by TEACHING CHILDREN TO HAVE AN IMAGINATION of cartoons, super heros, fantasy world ideas. Nuwaupian children ARE NOT allowed to watch Barney, Sponge Bob, Dora, etc. A child grows up trying to be something unrealistic when a child is taught to act like cartoons characters at an early stage in life. That's how many children grow up wanting to become rappers, movie stars, athletes, or a superstar of some sort due to imagining to be cartoon characters while they were between the ages of newborn to 7. Paa Munzal said that 7 years old is the Age of Imagination & it's no more hope if a child thinks of being super heros or some unrealistic entity at age 7. Keeping Nuwaupian children from developing that negative aspect of imagination will allow them to differentiate between the real -vs- illusions of life as they grow in adulthood. The child's daily routine should consist of realistic methods of education that ARE NOT any imaginary characters as the teacher. Just like having to explain to a child that Santa Claus DOES NOT exist, after lying to them saying he did exist, which teaches a child to lie & justify it as well. The fallacy / falseness of Santa Claus (phoenitically Satan's Claws) teaches to imagine it as if it's a real scenario. Teaching children about Santa Claus, Easter bunnies, the tooth fairy, the boogie man, super heros, & the likes will only steer that child further from reality.

We always seek refuge in Paa Akhthur A'a Re by fully living Paa Taraq / The Way of Wu Nuwaupu! Children lose the ability to detect subliminal messages, illusions, deception, hypocrisy, & lies by developing an imagination under this Evil Spell. Learning how to live Wu Nuwaupu is the way to prevent imagination -or- undo the damage that was done, which breaks the effects of vain imaginations caused by the Evil Spell.

47. Let's reflect **Paa Munzal** !!! DO NOT FEED INTO NEGATIVE VISIBLE OR INVISIBLE FORCES & BECOME DEMONICALLY POSSESSED by GIVING UP on living Nuwaupu. **Paa Munzal** taught us that the road towards perfection is definitely not easy. There will be times when we become frustrated, confused, & burnt out. That's why **Paa Munzal** designed a well-rounded system to minimize those times as such, if you live completely by his system. **Paa Munzal's** divine words of Right Wisdom is: "It's not how you fall, it's how you get back up!" He knows we will fall time and time again, that's alright as long as we get back up. We can be knocked down, but never knocked out! Never give up on Wu Nuwaupu, for it is indeed our life line, our true source of nourishment. We live & learn through making mistakes in this earthly incarnation. Besides, we are bound to make endless mistakes because we DO NOT have a fully active Barathary Gland as **Paa Munzal**. However, take control & refuse to allow yourself to make the same mistakes over & over. Not repeating mistakes is the only way to gradually ascend upwards to become Supreme Beings again. **Paa Munzal** gave us many jewels to help maintain our strength, such as breathing exercises, ALKALINE liquid fasting, chanting, meditation, prayers, the AEO Lessons, just to name a few. We must use all of **Paa Munzal's** jewels for strength, for they combine to make the full armor against the mental & physical attacks from Adverse Forces that can cause someone whose unequipped to give up.

48. Let's reflect **Paa Munzal** !!! DO NOT FEED INTO NEGATIVE VISIBLE OR INVISIBLE FORCES & BECOME DEMONICALLY POSSESSED by **BLASPHEMING** -or- **DOUBTING** Paa Nazdar shil Nazdaru. Paa Munzal told doubters as well as those who embrace facts to "Don't believe me, check it out!" Paa Munzal's divine works are limitless & proves he is indeed an Angelic Being with a fully active Barathary Gland, therefore to be trusted at all times. The Lesser Mysteries state "Do not trust in any man," which applies to mortals without a Barathary Gland, not to **Paa Munzal**. It is blaspheming to deny **Paa Munzal's** power, if you know who & what he is. **Paa Munzal** can help anyone on this planet relevant to their situation & karmic debts. He definitely knows & has shown us the complete way towards perfection for the last 4 decades. His true students MUST never blaspheme nor doubt his divine abilities as The Chosen One by **Paa Nazdaru**.

49. Let's reflect **Paa Munzal** !!! O NOT FEED INTO NEGATIVE VISIBLE OR INVISIBLE FORCES & BECOME DEMONICALLY POSSESSED by **THINKING SUICIDAL THOUGHTS**. The Evil Spell is wickedly designed to cause self-hate, self-destruction, self-degradation, & all types of self-harm including suicide. People are sad, depressed, mad, confused, & gone crazy because the Evil Spell is the leading influential factor that dictates their destructive lifestyle. Never allow the trics & traps of the Evil One (The Devil, Satan) to cause you to feel as though you want to commit suicide as a solution to escaping this hell hole. Satan, the Evil One has formed societies based on unjust laws to destroy lives on purpose. Realizing that the Evil One has tricked the whole world with sin or death is the first step towards facing this sinful world head on, never allowing it to overwhelm you. Overstanding the Evil Hypnotic Spell allows the average person to maneuver around the many evil traps of this world.

We always seek refuge in Paa Akhthur A'a Re by fully living Paa Taraq / The Way of Wu Nuwaupu! Which includes such keys as: Living AGREEABLY Of, For, & By Each Other, Psychic Self Defense Methods, Egiptian Amulets of Protection, & Reciting the Zakurane (chants), which were all given to us by way of our Beloved Master Teacher Paa Munzal to protect ourselves from Adverse Evil Forces!

50. Let's reflect **Paa Munzal** !!! DO NOT FEED INTO NEGATIVE VISIBLE OR INVISIBLE FORCES & BECOME DEMONICALLY POSSESSED by THINKING HOMOCIDAL THOUGHTS. Demonic Entities are at work enticing people to kill or commit homicide by way of movies, music, video games, magazines, hunting, the internet, etc. Demonic Entities plant the seed of revenge by any & every means, in the minds of people who are at odds with other people. Thou shalt not kill is as clear as it gets, yet the Devil's society promotes murder in countless ways. This hypocritical society breaks thou shalt not kill by instigating it. **Paa Munzal** said that thoughts are so powerful that a person can think of killing someone, but not do it. Next, their homocidal thought travels into someone else's head, resulting in that person killing someone. **Paa Munzal** teaches that one can rise up to a level of such peace, that even animals will walk up to that person, as in **Paa Munzal's** case.

51. Let's reflect **Paa Munzal** !!! DO NOT FEED INTO NEGATIVE VISIBLE OR INVISIBLE FORCES & BECOME DEMONICALLY POSSESSED by THINKING NEGATIVE THOUGHTS whatever they may be, at any given time. Paa Munzal teaches us to guard our minds, by NEVER entertaining NEGATIVE THOUGHTS, which cause our aura to become murky therefore attracting Demonic Entities to us. We have to think positive, even when being critical, not allowing nonfactual views to cloud our judgement. Paa Munzal teaches us to ALWAYS immediately replace ANY NEGATIVE THOUGHT with a POSITIVE THOUGHT, never allowing grooves of NEGATIVE THOUGHTS to form grooves in our mind or negative thought patterns, rather positive grooves or thought patterns.

Open Our Eyes & Heart To The Holy Tablets, Ch 7, Tablet 8, verses 48 thru 62, pg. 730:

48. In a sense, the mind is like a record or laser disk.

49. It contains grooves, or impressions.

We always seek refuge in Paa Akhthur A'a Re by fully living Paa Taraq / The Way of Wu Nuwaupu! Which includes such keys as: Living AGREEABLY Of, For, & By Each Other, Psychic Self Defense Methods, Egiptian Amulets of Protection, & Reciting the Zakurane (chants), which were all given to us by way of our Beloved Master Teacher Paa Munzal to protect ourselves from Adverse Evil Forces!

50. These impressions are formed when certain thought waves become habitual.
51. The benevolent example would be, "If an Enosite passes a bakery and sees a chocolate cake in the window,
52. How delicious, the Enosite says: I will buy that cake."
53. If he or she ignores that thought wave and turns his or her mind to something else, then no pattern is formed.
54. However, if he or she identifies with the thought,
55. The Enosite gives life to it.
56. The Enosite buys the cake, looking forward to enjoying it as dessert for that evening.
56. Now, suppose the Enosite finds he or she must pass that same bakery every Wednesday and Friday.
57. Each time the Enosite goes by, he or she recalls that wonderful cake again,
58. And he / she purchases another.
59. Now ponder this: What was originally just a flash in the mind becomes a force in his or her life.
60. Grooves in the mind are not necessarily negative.
61. There can be grooves in the mind which are uplifting,
62. And then there are those which brings one down.

52. Let's reflect **Paa Munzal ! ! ! DO NOT FEED INTO NEGATIVE VISIBLE OR INVISIBLE FORCES & BECOME DEMONICALLY POSSESSED by GOING TO PARTIES, CONCERTS, & SOCIAL EVENTS** that ARE NOT directly related to Wu Nuwaupu. We DO NOT fall victim to needing external conditions such as parties or social events to bring us excitement. We DO NOT put our lives in danger nor associate with non-Nuwaupians at social events irrelevant to building our Nation. Many people are killed by going to parties & concerts, & the police will wait until the riot is over before they intervene. Nuwaupians should never put ourselves in any predicament where our Mind, Soul, Spirit, & Body are bombarbed with negative persons, places, & things (such as parties).

We always seek refuge in Paa Akhthur A'a Re by fully living Paa Taraq / The Way of Wu Nuwaupu! Which includes such keys as: Living AGREEABLY Of, For, & By Each Other, Psychic Self Defense Methods, Egiptian Amulets of Protection, & Reciting the Zakurane (chants), which were all given to us by way of our Beloved Master Teacher Paa Munzal to protect ourselves from Adverse Evil Forces!

53. Let's reflect **Paa Munzal ! ! ! DO NOT FEED INTO NEGATIVE VISIBLE OR INVISIBLE FORCES & BECOME DEMONICALLY POSSESSED** by being **LAZY**. We MUST approach our goals with eagerness, esteem, & fervor, which are all attributes of using Will Power. We cannot allow ourselves to get behind in our any of our responsibilities. We have to stay focused, directing all our efforts on each step necessary to complete whatever task we face in Wu Nuwaupu. We cannot become vagabonds, couch potatoes, or speculative individuals. We must be diligent & steadfast in completing our agendas to re-construct our Nation in the image & after the likeness of **Paa Munzal**.

54. Let's reflect **Paa Munzal ! ! ! DO NOT FEED INTO NEGATIVE VISIBLE OR INVISIBLE FORCES & BECOME DEMONICALLY POSSESSED** by **WASTING OR SPENDING MONEY FRIVOUSLY**, by shopping for worldly items or wants (instead of needs). We DO NOT fall for vanity by catchy marketing skemes, coupons, close out specials, going out of business sales, buy one get one free deals, or the likes. Even hanging out at shopping malls makes you susceptible to negative influences. We SHOULD NOT spend any of our hard earned money on anything that DOES NOT benefit the growth of those within the Wu Nuwaupu Nation. We have to do for ourselves & buy from ourselves, allowing our money to circulate among Nuwaupians several times before it leaves our hands. All other ethnic groups (Mexicans, Orientals, & Caucasians) re-invest back into themselves before they invest in others, so why shouldn't we?

55. Let's reflect **Paa Munzal ! ! ! DO NOT FEED INTO NEGATIVE VISIBLE OR INVISIBLE FORCES & BECOME DEMONICALLY POSSESSED** by **SUPPORTING PEOPLE WHO DO NOT HAVE NUWAUPIAN'S BEST INTEREST IN MIND**. We DO NOT shop at Korean / Chinese / Mexican / nor Arab convient stores.

We always seek refuge in Paa Akhthur A'a Re by fully living Paa Taraq / The Way of Wu Nuwaupu! Which includes such keys as: Living AGREEABLY Of, For, & By Each Other, Psychic Self Defense Methods, Egiptian Amulets of Protection, & Reciting the Zakurane (chants), which were all given to us by way of our Beloved Master Teacher Paa Munzal to protect ourselves from Adverse Evil Forces!

We DO NOT purchase clothing (nor any other worldly items) which are designed by an entertainer, celebrity, or corporation. We DO NOT accept people's promises of helping us, who have not shown proof to support their promises. We DO NOT put our fate or destiny in the hands of people who DO NOT have our best interest in mind, based on Wu Nuwaupu. We DO NOT support people who DO NOT truly respect our Master Teacher, without prejudice.

56. Let's reflect **Paa Munzal ! ! !** DO NOT FEED INTO NEGATIVE VISIBLE OR INVISIBLE FORCES & BECOME DEMONICALLY POSSESSED by OBSERVING PAGAN HOLIDAYS nor VISIT PEOPLE TO OBSERVE PAGAN HOLIDAYS because we absorb that Negative 6 Ether every of those days by being amongst those who celebrate them. We DO NOT visit ANYONE on those days, and we DO NOT eat ANYONE S food cooked to celebrate those pagan holidays (whether its someone you know -or- a restaurant cooking holiday dinners. We DO NOT eat their holiday meals, nor anything cooked by them on any other day of the year). It opens us up to Disagreeable / Demonic Etheric Forces whenever we eat anyone's cooking who is not a loyal Nuwaupian that lives within our Wu Nuwaupu Community.

57. Let's reflect **Paa Munzal ! ! !** DO NOT FEED INTO NEGATIVE VISIBLE OR INVISIBLE FORCES & BECOME DEMONICALLY POSSESSED by MAKING LOUD OUTBURST, relative to cursing, getting uncontrollably angry, screaming / hollering, fussing, fighting, making sarcastic remarks, & harboring harsh feelings of hatred out of ignorance. . .which makes some people a walking time bomb! A violent verbal or physical outburst associates with a lack of Sound Right Reasoning, poor self-control, anger stemming from unfilled desires, and/or impatience. A lot of people aren't aware how the Evil Spell encourages negativity to de-sensitize society, by creating chaos resulting in: fears, distrust, separation, & frustration.

We always seek refuge in Paa Akhthur A'a Re by fully living Paa Taraq / The Way of Wu Nuwaupu! Which includes such keys as: Living AGREEABLY Of, For, & By Each Other, Psychic Self Defense Methods, Egiptian Amulets of Protection, & Reciting the Zakurane (chants), which were all given to us by way of our Beloved Master Teacher Paa Munzal to protect ourselves from Adverse Evil Forces!

Thank you Paa Munzal for teaching us how to overstand & calmly handle such vast adversities:

Open Our 3rd Eye To The Urim & Thummim, Bab (Reversed), pg. 100 thru 101:

If you are undergoing difficulties, remember the quality of your passage depends upon your attitude. Be certain that you are not suffering over your suffering. Drawing Bab reversed demands contemplation on your part. Hasty decisions at this time may cause regrets, for the probability is that you will act from weakness, decieve yourself about your motives and create more problems than those you are attempting to resolve. Impulses must be tempered by thought for correct procedure. Do not attempt to go beyond where you have yet begun. Be still, collect yourself and wait on the will of heaven.

58. Let's reflect Paa Munzal !!! DO NOT FEED INTO NEGATIVE VISIBLE OR INVISIBLE FORCES & BECOME DEMONICALLY POSSESSED by being SILLY -or- ACTING A SHOW OFF at anytime, which is considered possession by demonic spirits of laughter or silliness. The ego makes one long for attention, to the point that many will abandon their morals to be noticed. Nuwaupians never act a baffoon. Our thoughts, words, & actions should be noble or honorable. Paa Munzal's divine words of Right Wisdom teach us: "It's harder to keep your name clean than your body." We DO NOT embarrass ourselves nor someone else by acting silly / stupid. There are times for joyousness, but do not be seduced into mindless joyousness or regressing back to Homo Erectus. Be aware of our actions at all times, for Paa Nazdaru (The Overseers) are indeed monitoring out behavior to determine whether we are truly worthy to regain our Barathary Gland.

Words of Divine Right Wisdom from Nazdur Amunnub Reakh Ptah Djedi:

To think is a gift, don't misuse it today, and don't under use it.

We always seek refuge in Paa Akhthur A'a Re by fully living Paa Taraq / The Way of Wu Nuwaupu! 59. Let's reflect **Paa Munzal ! ! ! DO NOT FEED INTO NEGATIVE VISIBLE OR INVISIBLE FORCES & BECOME DEMONICALLY POSSESSED** by being **EGOTISTICAL**. Let's continue to reflect upon the countless divine guidance of **Paa Munzal**. This is only part of what **Paa Munzal** has said about the ego.

Open Our 3rd Eye & Heart To The Holy Tablets, Ch. 7, Tablet 9, Verses 1 thru 19, pg. 731:

1. Lo! Nuwaubians, one of the schools which I, your Master Teacher, known as the Reformer, Al Mujadid, Al Muklus, Yaanuwn, Rabboni, Al Imaam, and Melchizedek. I have many names for the many cloaks I wear. I must take you through, is the school of the ego.
2. Know ye that, this is one of the hardest attributes to destroy.
3. This is the attribute that is mostly carried out by the evil reptilian one, Sama'rl, also known as Zuen, or the Devil.
4. He who is the son of Shakhar and Mylitta.
5. Reject him and his attributes.
6. And let him, or his followers not into your hearts, for he and they would only lead you through the doors of misery.
7. However, through the teachings of the Ancient Mystic Order Of Melchizedek, also known as AMOM, you can learn how to burn out the ego.
8. Through the journey of this Holy Tablet, I will impart upon the minds the works of the ego.
9. The ego, is the self-arrogating aspect of the mind.
10. The ego is the greatest obstacle to obtaining peace.
11. For it is that which occupies the mind with whether we are better or worse,
12. Possess more or less, and have greater or lesser than others.
13. The ego is attended by desire,
14. Pride, anger, delusion, greed, jealousy,
15. Lust, hatred, racism,
16. And leadership.

We always seek refuge in Paa Akhthur A'a Re by fully living Paa Taraq / The Way of Wu Nuwaupu! Which includes such keys as: Living AGREEABLY Of, For, & By Each Other, Psychic Self Defense Methods, Egiptian Amulets of Protection, & Reciting the Zakurane (chants), which were all given to us by way of our Beloved Master Teacher Paa Munzal to protect ourselves from Adverse Evil Forces!

17. The ego is the most difficult aspect of the mind to control,
18. For its nature is such that it deludes even while one is striving to overcome it.
19. When the ego is subdued, energies can be utilized constructively for personal growth and the service of others.

60. Let's reflect **Paa Munzal** !!! DO NOT FEED INTO NEGATIVE VISIBLE OR INVISIBLE FORCES & BECOME DEMONICALLY POSSESSED by being **REBELLIOUS** to Paa Taraq / The Way or the many other Strict Codes of Discipline found throughout Wu Nuwaupu. We were taught by **Paa Munzal** how to recognize rebelliousness, simply by not following his instructions when given. Ignorance, ego, & arrogance are all the related root causes for rebellious actions. Rebellion must be recognized & corrected at that very moment. Rebellion prevents living AGREEABLY Of, For, & By Each Other in **Paa Munzal's** Wu Nuwaupu Community. Wu Nuwaupu is our life! Rebellion constantly occurs throughout the world for all reasons imaginable. Rebellion for any foolish reason is taught within the Hypnotic Spell to keep confusion stirred up. We have to accept Wu Nuwaupu whole heartedly, not partially, which eliminates rebellion. **Paa Munzal** DID NOT rebel in his mission to save us, so why should we rebel on him? Rebellious behavior against Wu Nuwaupu cannot be practiced, tolerated, nor accepted by those who live AGREEABLY inside of **Paa Munzal's** Wu Nuwaupu Community.

61. Let's reflect **Paa Munzal** !!! DO NOT FEED INTO NEGATIVE VISIBLE OR INVISIBLE FORCES & BECOME DEMONICALLY POSSESSED by **WATCHING or PLAYING SPORTS**. Sports is one the traps on the Devil's Web, as taught to us by **Paa Munzal** many decades ago. Football, basketball, boxing, etc. are all distractions called Sports. The trap called Sports is used to mentally distract & put too much emphasis on the physique of an individual.

We always seek refuge in Paa Akhthur A'a Re by fully living Paa Taraq / The Way of Wu Nuwaupu! Which includes such keys as: Living AGREEABLY Of, For, & By Each Other, Psychic Self Defense Methods, Egiptian Amulets of Protection, & Reciting the Zakurane (chants), which were all given to us by way of our Beloved Master Teacher Paa Munzal to protect ourselves from Adverse Evil Forces!

Nuwaupians DO NOT allow ourselves to become mesmerized by the playoffs, or bets made on sports, nor the paraphernalia that represent which team you like -vs- dislike. Sports only fuels the ego * competitive animalistic mindframe, that is rooted in the lower chakra especially if the sport is dangerous and/or an addiction. Nuwaupians who live inside of **Paa Munzal's** Wu Nuwaupu Community DO NOT watch any sports on TV., nor listen to sports on the radio, nor speak of supporting any particular athlete or team. Men usually are more addicted to sports due to the testosterone increase that sports produces. Some of the most popular sports are masculine in nature such as football, basketball, boxing, wrestling, or very muscular related sports. We have to know how the Beast works to distract us on our path towards spiritaual perfection, which is why sports is a very clever trick that truly indeed has many mortals fooled.

62. Let's reflect **Paa Munzal** !!! DO NOT FEED INTO NEGATIVE VISIBLE OR INVISIBLE FORCES & BECOME DEMONICALLY POSSESSED by being **HYPOCRITICAL**. As taught to us by our Master Teacher, spiritual hypocrisy is above the worse type of hypocrisy. Concealers of that which is true will be judged worse than all as we read in the Lesser Mysteries of the Koran or Garun. **Paa Munzal** teaches "**Loyalty is the best gift that you can give anybody,**" which is void of hypocrisy. He also stated that "**He who is sure commits himself.**" Hypocrisy has no rightful place on the journey towards perfection, for it gives the illusion of being perfect such as a wolf in sheep's clothing. Intentions must be carried out in actions to truly keep from being hypocritical. Conviction, commitment, & responsibility are the opposite poles of hypocrisy. As **Paa Munzal** says: "**The truth kept to one's self becomes a lie**" & "**Your skin color does not make you Nubian, it's your commitment.**" As the old saying goes: Practice what you preach (better yet teach).

Words of Divine Right Wisdom from Nazdur Amunnub Reakh Ptah Djedi:

Do what you say, and to avoid confusion say what you are going to do.

We always seek refuge in Paa Akhthur A'a Re by fully living Paa Taraq / The Way of Wu Nuwaupu! Which includes such keys as: Living AGREEABLY Of, For, & By Each Other, Psychic Self Defense Methods, Egiptian Amulets of Protection, & Reciting the Zakurane (chants), which were all given to us by way of our Beloved Master Teacher Paa Munzal to protect ourselves from Adverse Evil Forces!

63. Let's reflect **Paa Munzal** !!! DO NOT FEED INTO NEGATIVE VISIBLE OR INVISIBLE FORCES & BECOME DEMONICALLY POSSESSED by NOT PERFORMING PAA ASHUTAT. Paa Munzal gave us the Paa Ashutat Scroll, wherein he explains the reason for Paa Ashutat. Paa Ashutat is just one of many ways to express our sincere appreciation towards **Paa Nazdar shil Nazdaru** for all of the guidance we've received by way of **Paa Munzal**. For indeed, before we became students of **Paa Munzal**, we were lost just like everybody else under the Hypnotic Spell. Cherish the recognition & connection made through Paa Ashutat, for it is indeed one of the valuable tools needed to properly re-align our Souls with **Paa Nazdar shil Nazdaru**. Paa Ashutat should never to be taken for granted by those living inside of **Paa Munzal's** Wu Nuwaupu Community or on the outside. Please acquire the Paa Ashutat Scroll for the complete divine overstanding of it's purpose from our Master Teacher **Paa Munzal**.

64. Let's reflect **Paa Munzal** !!! DO NOT FEED INTO NEGATIVE VISIBLE OR INVISIBLE FORCES & BECOME DEMONICALLY POSSESSED by NOT CHANTING. Proper chanting is developed through concentration and routine practice, as taught to us by **Paa Munzal**. Chanting reaps a wide range of benefits from increasing wisdom, spiritual upliftment, protection, to gain your needs, better health, develop intuition, patience, etc. Chanting should become just as common as breathing, for it guards & guides the mind towards perfection by chanting divine rhythms & tones that connect to the higher planes. This is one of the keys to breaking the Hypnotic Spell, preventing demonic possession. This is one of **Paa Munzal's** divine lessons or jewels that helped in all areas of life. **Paa Munzal** gave us many chants over the years, such as the never to be forgotten booklet called "Wadhiyafah, The Sound of Healing," while we were in the degree of Ansaaruallah. We must always embrace chanting as the pronounciations and the overstanding of who, what, & how to use certain chants have indeed advanced. Don't be a fool not to learn this aspect of Wu Nuwaupu, & don't be a fool not to use it constantly after you learn it.

We always seek refuge in Paa Akhthur A'a Re by fully living Paa Taraq / The Way of Wu Nuwaupu! Which includes such keys as: Living AGREEABLY Of, For, & By Each Other, Psychic Self Defense Methods, Egiptian Amulets of Protection, & Reciting the Zakurane (chants), which were all given to us by way of our Beloved Master Teacher Paa Munzal to protect ourselves from Adverse Evil Forces!

65. Let's reflect **Paa Munzal** !!! DO NOT FEED INTO NEGATIVE VISIBLE OR INVISIBLE FORCES & BECOME DEMONICALLY POSSESSED by NOT **DROPPING YOUR NET TO BECOME A FISHER OF MEN.** **Paa Munzal** told & showed us the way to fulfill one's purpose on this plane of existence, if one intends to ascend upward from here. Dropping our net & becoming fishers of men, which is really associated with graduating from The Piscean Age into the Aquarian Age. We have to distinguish between that which is an illusion -vs- the will of Paa Nazdar shil Nazdaru, which is secured by becoming a fisher of men. If we teach Wu Nuwaupu as **Paa Munzal** has, we will not become a slave under the Evil Spell by accepting employment / jobs for vain purposes designed by The Beast. Dropping our net to only teach Wu Nuwaupu takes us out of the clutches of this system, unlike those who have worldly careers that DO NOT spiritually fulfill them. To drop your net as the Lesser Mysteries teach is one of the requirements to re-align ourselves / restore our Soul, & be worthy to receive our Barathary Gland as loyal students of **Paa Munzal**.

66. Let's reflect **Paa Munzal** !!! DO NOT FEED INTO NEGATIVE VISIBLE OR INVISIBLE FORCES & BECOME DEMONICALLY POSSESSED by NOT being **SELFISH, ME, MYSELF, & I.** **Paa Munzal** taught us that the love of self is the 1st and the most deadly form of love (within the 12 forms of love). The yearning to practice I-ness or My-ness based upon the ability to choose between Agreeable or Disagreeable acts, is what caused the vast majority of human beings to incarnate on this Physical Plane, to govern the self. We must not foolishly become addicted to the temporal physical pleasures of this world, which definitely fleet away or decay. Re-aligning ourselves back with our Etheric Parents must be done by constantly nourishing our Etheric Being, which governs our physical composition. The effects of the Hynoptic Spell produces selfish, arrogant, stubborn, small-minded, close-minded fools with their so called personal opinion, becoming puppets of the Puppet Master: Haylal.

We always seek refuge in Paa Akhthur A'a Re by fully living Paa Taraq / The Way of Wu Nuwaupu! Which includes such keys as: Living AGREEABLY Of, For, & By Each Other, Psychic Self Defense Methods, Egiptian Amulets of Protection, & Reciting the Zakurane (chants), which were all given to us by way of our Beloved Master Teacher Paa Munzal to protect ourselves from Adverse Evil Forces!

Each Nuwaupian must decide between following The Evil Spell or Wu Nuwaupu. Once we overstand that Wu Nuwaupu has all the right choices we can make in this world, that's when we overcome self-deception: Me, Myself, & I, which are actually disagreeable pronouns that cause stronger attachments to persons, places, & things. As stated by Paa Munzal: "Take of the jewelry of Me, Myself, and I, and never wear them again."

Open Our 3rd Eye & Heart To The Holy Tablets, Ch. 7, Tablet 12, verses 17-25, pg. 735:

17. The mind is always looking for an excuse to avoid discipline.
18. Ye must always listen to the inner voice of the self.
19. There is two sides to you.
20. Our 180 degrees of agreeable and 180 degrees of disagreeable.
21. One percent is all that is needed to shift your emotion.
22. 180 to the left start the path of disagreeable action, or very agreeable.
23. You are in control.
24. Listen to the voice of the agreeable things.
25. Rather than to the complaints of the disagreeable mind.

We can stop at # 66, as a reminder of what students of Paa Munzal are all up against: 6 Ether Forces. However, the list goes on. You may think of other possible conditions that can lead to Demonic Possession. Nuwaupians MUST remember that we battle not against flesh & blood, but against spiritual wickednesses in high places. The full armor of Paa Nazdaru begins first by becoming aware that there is a constant Battle of the Mind. First, we battle mentally to conquer our personal bad habits, by resisting negative THOUGHTS or evil telepathic suggestions. When we battle within our own mind: ALWAYS fight off the disagreeable THOUGHT 1st, & you automatically prevent the physical act from taking place. Overstand that surrendering to any negative, disagreeable, or evil THOUGHT will open you up to Demonic Possession.

Words of Divine Right Wisdom from Nazdur Amunnub Reakh Ptah Djedi:

If you do not label every aspect of your personality with different colors, you will not recognize them when they come up to seize you.

We always seek refuge in Paa Akhthur A'a Re by fully living Paa Taraq / The Way of Wu Nuwaupu! Which includes such keys as: Living AGREEABLY Of, For, & By Each Other, Psychic Self Defense Methods, Egiptian Amulets of Protection, & Reciting the Zakurane (chants), which were all given to us by way of our Beloved Master Teacher Paa Munzal to protect ourselves from Adverse Evil Forces!

We cannot ignore the reality of Demonic Possession. Such negligence will always allow Evil Forces to wreck havoc in our personal live. It takes a conscious effort to utilize our will power effectively to combat against Demons: be they Invisible or Visible Adverse Forces. **The Tabernacle of The Most High / Yaa A'lyun / Paa Akhthur A'a Re** is SPIRITUALLY designed to totally remove Nuwaupians from under the Spell of Leviathan / Kingu. As long as we are willing to fully obey Paa Taraq / The Way or the Laws & Commandments within The Holy Tabernacle / Wu Nuwaupu Community. Each action we take is categorized or aligning us with either AGREEABLE or DISAGREEABLE beings. Not repelling WRONG THOUGHTS is very detrimental, even if we never intend to act upon them. We have to develop a extremely strong mind in order to AGREEABLY live within the Tabernacle of **The Most High / Yaa A'lyun / Paa Akhthur A'a Re**. Our THOUGHTS, words, & actions will prove if we've developed that strong mind based on Wu Nuwaupu.

Words of Divine Right Wisdom from Nazdur Amunnub Reakh Ptah Djedi:

Use your head, or stop carrying it around with you.

&

Think before you act, or at least act like you're thinking.

Open your 3rd EYE & HEART to ACTUAL FACT: Emotional Energy, Verse 138, pg. 17:

138. And only facts, truth, reality which is Wu-Nuwaupu for you. It's your own defense, your psychic self-defense, is only found in Nuwaupu where you break away from his lies, deceptions, false hopes, beliefs, faith, images that work your imagination and create false hopes, wants, wishes, desires, which transforms you into a wanted.
139. And to get what you think you want. You do almost anything he ask or shows you to the point that you give up your very "Soul," BA'A, which seals the higher abodes from you and all of your own ancestors can't reach you to help you.

O Most High: Paa Akhthur A'a Re, we are eternally grateful for all of your divine guidance, protection, mercy, & blessings you have bestowed upon us by way of our Master Teacher Paa Munzal. Please forgive us for our many shortcomings & allow us a chance to make amends for any setbacks we have caused knowingly & unknowingly. Please give us the necessary strength to carry on as your children, in your Divine Name O Most High!!! Please continue to open our mind's eye & our heart, so that we may see exactly what it takes to become become more & more pleasing to you! For we recognize without your divine intervention on all levels, it would not be possible for us to succeed in doing, nor even fathom in saying:

35. The life of a bee represents discipline. The individual honey bee is important only when it is part of a colony or community.
36. So it is with the faithful; they are of no importance as an I, or an individual, but as we, collectively. That's why we hold firmly to the rope of ANU, The Most High together as one. The beehive's dome is the same structure as the crown's dome.
37. It's another sign, the structure of the Holy Tabernacle community called in tones Ansaaruallah. The colony of bees consists of one leader be, As Sayyid Issa Al Haadi Al Mahdi, or just Imaam Isa, and thousands of worker bees. the Holy Tabernacle is symbolic of this great community.
38. In the society, she is the most powerful and makes all decisions. Our leader and teacher known to us as Nayya Malachi Zodok York-El, is the example and a person in who the qualities of advancement of the true way of life, and the strengthening of all Children of the Aluhum, in the community are essential and one. The workers are builders.
